## "Achy Breaky Heart"

You can tell the world you never was my girl  
You can burn my clothes when I'm gone  
Or you can tell your friends just what a fool I've been  
And laugh and joke about me on the phone

You can tell my arms go back to the farm  
You can tell my feet to hit the floor  
Or you can tell my lips to tell my fingertips  
They won't be reaching out for you no more

But don't tell my heart my achy breaky heart  
I just don't think it'd understand  
And if you tell my heart my achy breaky heart  
He might blow up and kill this man

You can tell your ma I moved to Arkansas  
You can tell your dog to bite my leg  
Or tell your brother Cliff, whose fist can tear my lip  
He never really liked me anyway

Or tell your Aunt Louise tell anything you please  
Myself already knows I'm not okay  
Or you can tell my eyes to watch out for my mind  
It might be walking out on me today

But don't tell my heart my achy breaky heart  
I just don't think he'd understand  
And if you tell my heart my achy breaky heart  
He might blow up and kill this man

Don't tell my heart my achy breaky heart...  
I just don't think he'd understand  
And if you tell my heart my achy breaky heart  
He might blow up and kill this man

Don't tell my heart my achy breaky heart...  
I just don't think he'd understand  
And if you tell my heart my achy breaky heart  
He might blow up and kill this man

## "Africa"

I hear the drums echoing tonight  
But she hears only whispers of some quiet conversation  
She's coming in twelve-thirty flight  
Her moonlit wings reflect the stars that guide me towards salvation  
I stopped an old man along the way  
Hoping to find some old forgotten words or ancient melodies  
He turned to me as if to say: "Hurry boy, it's waiting there for you"

[Chorus:]

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had

The wild dogs cry out in the night  
As they grow restless longing for some solitary company  
I know that I must do what's right  
Sure as Kilimanjaro rises like Olympus above the Serengeti  
I seek to cure what's deep inside, frightened of this thing that I've become

[Chorus]

[Instrumental break]

Hurry boy, she's waiting there for you

[Chorus:]

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa [5x]  
Gonna take some time to do the things we never had

## **"Ain't No Sunshine"**

Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she's always gone too long  
Anytime she goes away

Wonder this time where she's gone  
Wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away

And I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know  
Hey, I oughtta leave young thing alone  
But ain't no sunshine when she's gone

Ain't no sunshine when she's gone  
Only darkness every day  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away  
Anytime she goes away  
Anytime she goes away  
Anytime she goes away

## **"Alcoholic"**

You're the chaser to my Crown Royal  
Body like a Coke bottle  
and with every drink  
I can't help but think  
How smooth you go down yeah

Baby girl I love your flavor  
you're the Rockstar after that Jagger  
Southern Comfort when I need to be held  
So in love with you girl

I'm so drunk off your love girl I'm buzzin  
And I can't get enough, of your lovin  
Sippin you down girl I love it

You're the reason I'm an alcoholic [2x]

You're the juice that makes my knees weak  
my grey goose, baby you complete the mix drink  
My Patron I'm takin shots of you  
So into you, you're my Malibu  
My passion for you like my Alize'  
Baby it turns blue when you go away  
So in love you girl  
So thirsty

I'm so drunk off your love girl I'm buzzin  
And I can't get enough, of your lovin  
Sippin you down girl I love it

You're the reason I'm an alcoholic [2x]

Your love is the only love I'm tastin  
Cuz baby girl, you're so intoxicating  
So Imma keep sippin your love  
Girl I never been so drunk

I'm so drunk off your love girl I'm buzzin  
And I can't get enough, of your lovin  
Sippin you down girl I love it

You're the reason I'm an alcoholic [4x]

## **"All Of Me"**

[Verse 1:]

What would I do without your smart mouth?  
Drawing me in, and you kicking me out  
You've got my head spinning, no kidding, I can't pin you down  
What's going on in that beautiful mind  
I'm on your magical mystery ride  
And I'm so dizzy, don't know what hit me, but I'll be alright

[Pre-Chorus:]

My head's under water  
But I'm breathing fine  
You're crazy and I'm out of my mind

**[Chorus:]**

'Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me, I'll give my all to you  
You're my end and my beginning  
Even when I lose I'm winning  
'Cause I give you all of me  
And you give me all of you, oh oh

[Verse 2:]

How many times do I have to tell you  
Even when you're crying you're beautiful too  
The world is beating you down, I'm around through every mood  
You're my downfall, you're my muse  
My worst distraction, my rhythm and blues  
I can't stop singing, it's ringing, in my head for you

[Pre-Chorus:]

My head's under water  
But I'm breathing fine  
You're crazy and I'm out of my mind

**Repeat Chorus**

[Bridge:]

Give me all of you  
Cards on the table, we're both showing hearts  
Risking it all, though it's hard

**Repeat Chorus**

I give you all of me  
And you give me all of you, oh oh

## **"Always Be My Baby"**

We were as one babe  
For a moment in time  
And it seemed everlasting  
That you would always be mine  
Now you wanna be free  
So I'll let you fly  
'Cause I know in my heart babe  
Our love will never die

[Chorus:]

You'll always be a part of me  
I'm part of you indefinitely  
Boy don't you know you can't escape me  
Ooh darling 'cause you'll always be my baby  
And we'll linger on  
Time can't erase a feeling this strong  
No way you're never gonna shake me  
Ooh darling 'cause you'll always be my baby

I ain't gonna cry no  
And I won't beg you to stay  
If you're determined to leave boy  
I will not stand in your way  
But inevitably  
You'll be back again  
'Cause you know in your heart babe  
Our love will never end

[Chorus]

I know that you'll be back boy  
When your days and your nights get a little bit colder  
I know that you'll be right back baby  
Oh baby believe me it's only a matter of time

[Chorus]

## "As Long As You Love Me"

As long as you love me

Although loneliness has always been a friend of mine  
I'm leavin' my life in your hands  
People say I'm crazy and that I am blind  
Risking it all in a glance  
And how you got me blind is still a mystery  
I can't get you out of my head  
Don't care what is written in your history  
As long as you're here with me

I don't care who you are  
Where you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care what you did  
As long as you love me

Every little thing that you have said and done  
Feels like it's deep within me  
Doesn't really matter if you're on the run  
It seems like we're meant to be

I don't care who you are (who you are)  
Where you're from (where you're from)  
What you did  
As long as you love me (I don't know)  
Who you are (who you are)  
Where you're from (where you're from)  
Don't care what you did  
As long as you love me (yeah)

I've tried to hide it so that no one knows  
But I guess it shows  
When you look into my eyes  
What you did and where you're comin from  
I don't care, as long as you love me, baby

I don't care who you are (who you are)  
Where you're from (where you're from)  
What you did  
As long as you love me (as long as you love me)  
Who you are (who you are)  
Where you're from (where you're from)  
Don't care what you did (yeah)  
As long as you love me (as long as you love me)

Who you are (who you are)  
Where you're from  
What you did  
As long as you love me  
Who you are (who you are)  
Where you're from (where you're from)  
As long as you love me  
Who you are  
As long as you love me  
What you did (I don't care)  
As long as you love me

## "Baby Got Back"

[Intro]

Oh, my, god. Becky, look at her butt.

It is so big. [scoff]

She looks like one of those rap guys' girlfriends.

But, you know, who understands those rap guys? [scoff]

They only talk to her, because, she looks like a total prostitute, 'kay?

I mean, her butt, is just so big.

I can't believe it's just so round, it's like, out there, I mean— gross. Look!

She's just so... black!

[Sir Mix-a-Lot]

I like big butts and I can not lie

You other brothers can't deny

That when a girl walks in with an itty bitty waist

And a round thing in your face

You get sprung, wanna pull out your tough

'Cause you notice that butt was stuffed

Deep in the jeans she's wearing

I'm hooked and I can't stop staring

Oh baby, I wanna get with you

And take your picture

My homeboys tried to warn me

But that butt you got makes me so horny

Ooh, Rump-o'-smooth-skin

You say you wanna get in my Benz?

Well, use me, use me

'Cause you ain't that average groupie

I've seen them dancin'

To hell with romancin'

She's sweat, wet,

Got it goin' like a turbo 'Vette

I'm tired of magazines

Sayin' flat butts are the thing

Take the average black man and ask him that

She gotta pack much back

So, fellas! (Yeah!) Fellas! (Yeah!)

Has your girlfriend got the butt? (Hell yeah!)

Tell 'em to shake it! (Shake it!) Shake it! (Shake it!)

Shake that healthy butt!

Baby got back!

(LA face with Oakland booty)

Baby got back!

(LA face with Oakland booty)

(LA face with Oakland booty)

[Sir Mix-a-Lot]  
I like 'em round, and big  
And when I'm throwin' a gig  
I just can't help myself, I'm actin' like an animal  
Now here's my scandal  
I wanna get you home  
And ugh, double-up, ugh, ugh  
I ain't talkin' bout Playboy  
'Cause silicone parts are made for toys  
I want 'em real thick and juicy  
So find that juicy double  
Mix-a-Lot's in trouble  
Beggin' for a piece of that bubble  
So I'm lookin' at rock videos  
Knock-kneed bimbos walkin' like hoes  
You can have them bimbos  
I'll keep my women like Flo Jo  
A word to the thick soul sisters, I wanna get with ya  
I won't cuss or hit ya  
But I gotta be straight when I say I wanna \*fuck\*  
Till the break of dawn  
Baby got it goin' on  
A lot of simps won't like this song  
'Cause them punks like to hit it and quit it  
And I'd rather stay and play  
'Cause I'm long, and I'm strong  
And I'm down to get the friction on  
So, ladies! (Yeah!) Ladies! (Yeah)  
If you wanna roll in my Mercedes (Yeah!)  
Then turn around! Stick it out!  
Even white boys got to shout  
Baby got back!

Baby got back!  
Yeah, baby... when it comes to females, Cosmo ain't got nothin' to do with my selection.  
36-24-36? Ha ha, only if she's 5'3".

[Sir Mix-a-Lot]  
So your girlfriend rolls a Honda, playin' workout tapes by Fonda  
But Fonda ain't got a motor in the back of her Honda  
My anaconda don't want none  
Unless you've got buns, hun  
You can do side bends or sit-ups,  
But please don't lose that butt  
Some brothers wanna play that "hard" role  
And tell you that the butt ain't gold  
So they toss it and leave it  
And I pull up quick to retrieve it

So Cosmo says you're fat  
Well I ain't down with that!  
'Cause your waist is small and your curves are kickin'  
And I'm thinkin' bout stickin'  
To the beanpole dames in the magazines:  
You ain't it, Miss Thing!  
Give me a sister, I can't resist her  
Red beans and rice didn't miss her  
Some knucklehead tried to diss  
'Cause his girls are on my list  
He had game but he chose to hit 'em  
And I pull up quick to get wit 'em  
So ladies, if the butt is round,  
And you want a triple X throw down,  
Dial 1-900-Mix-a-lot ,  
And kick them nasty thoughts  
Baby got back!  
Baby got back!

## "Baby One More Time"

Oh baby, baby  
Oh baby, baby  
Oh baby, baby  
How was I supposed to know  
That something wasn't right here  
Oh baby baby  
I shouldn't have let you go  
And now you're out of sight, yeah  
Show me, how you want it to be  
Tell me baby  
'Cause I need to know now what we've got

### [CHORUS:]

**My loneliness is killing me  
I must confess, I still believe  
When I'm not with you I lose my  
mind Give me a sign  
Hit me baby one more time**

Oh baby, baby  
The reason I breathe is you  
Boy you got me blinded  
Oh baby, baby  
There's nothing that I wouldn't do  
That's not the way I planned it  
Show me, how you want it to be  
Tell me baby  
'Cause I need to know now what we've got

[Repeat CHORUS]

Oh baby, baby  
Oh baby, baby  
Ah, yeah, yeah  
Oh baby, baby  
How was I supposed to know  
Oh pretty baby  
I shouldn't have let you go  
I must confess, that my loneliness  
Is killing me now  
Don't you know I still believe  
That you will be here  
And give me a sign  
Hit me baby one more time

[Repeat CHORUS]

I must confess that my loneliness  
Is killing me now  
Don't you know I still believe  
That you will be here  
And give me a sign  
Hit me baby one more time

[Repeat CHORUS]

## "Back At One"

It's undeniable... that we should be together...  
It's unbelievable how I used to say that I'd fall never  
The basis is need to know, if you don't know just how I feel,  
Then let me show you now that I'm for real...  
If all things in time, time will reveal...Yeah...

One... you're like a dream come true...  
Two... just wanna be with you...  
Three... girl, it's plain to see that you're the only one for me...  
And four... repeat steps one through three...  
Five... make you fall in love with me...  
If ever I believe my work is done Then I'll start back at one (yeah)

So incredible the way things work themselves out...  
And all emotional, once you know what it's all about, babe...  
And undesirable for us to be apart...Never would've made it very far...  
'Cause you know you've got the keys to my heart, 'Cause...

One... you're like a dream come true  
Two... just wanna be with you  
Three... girl, it's plain to see that you're the only one for me  
And four... repeat steps one through three  
Five... make you fall in love with me  
If ever I believe my work is done Then I'll start back at one.

Say farewell to the dark of night I see the coming of the sun...  
I feel like a little child Whose life has just begun.  
You came and breathed new life Into this lonely heart of mine.  
You threw out the life line Just in the nick of time.

One... you're like a dream come true  
Two... just wanna be with you  
Three... girl, it's plain to see that you're the only one for me  
And four... repeat steps one through three  
Five... make you fall in love with me  
If ever I believe my work is done Then I'll start back at one.

## "Banana Pancakes"

Jack Johnson

Can't you see that it's just raining?  
Ain't no need to go outside...

But, baby, you hardly even notice when I try to show you this  
Song is meant to keep you from doing what you're supposed to.  
Waking up too early, maybe we can sleep in  
Make you banana pancakes, pretend like it's the weekend now

And we could pretend it all the time  
Can't you see that it's just raining?  
There ain't no need to go outside

But just maybe, like a ukulele, momma made a baby  
Really don't mind the practice, 'cause you're my little lady  
Lady, lady, love me, 'cause I love to lay here lazy  
We could close the curtains, Pretend like there's no world outside

And we could pretend it all the time  
Can't you see that it's just raining?  
There ain't no need to go outside

Ain't no need, ain't no need, mmm, mmm,  
Can't you see, can't you see?  
Rain all day, and I don't mind

But the telephone is singing, ringing  
It's too early, don't pick it up, we don't need to  
We got everything we need right here  
And everything we need is enough, just so easy  
When the whole world fits inside of your arms  
Do we really need to pay attention to the alarm?  
Wake up slow, mmm mm, wake up slow

But, baby, you hardly even notice when I try to show you this  
Song is meant to keep ya from doing what you're supposed to  
Waking up too early maybe we can sleep in  
Make you banana pancakes, pretend like it's the weekend now

And we could pretend it all the time  
Can't you see that it's just raining?  
There ain't no need to go outside  
Ain't no need, ain't no need  
Rain all day, and I really, really, really don't mind  
Can't you see, can't you see?  
You gotta wake up slow

## "Before He Cheats"

Right now he's probably slow dancing with a bleached-blond tramp,  
And she's probably getting frisky...  
Right now, he's probably buying her some fruity little drink  
'Cause she can't shoot whiskey...  
Right now, he's probably up behind her with a pool stick,  
Showing her how to shoot a combo...

And he don't know...

That I dug my key into the side  
Of his pretty little souped-up four-wheel drive,  
Carved my name into his leather seats...  
I took a Louisville slugger to both headlights,  
Slashed a hole in all four tires...  
Maybe next time he'll think before he cheats.

Right now, she's probably up singing some  
White-trash version of Shania karaoke.  
Right now, she's probably saying, "I'm drunk"  
And he's a-thinking that he's gonna get lucky,  
Right now, he's probably dabbing on  
3 dollars worth of that bathroom Polo\*...

Oh, and he don't know...

That I dug my key into the side  
Of his pretty little souped-up four-wheel drive,  
Carved my name into his leather seats,  
I took a Louisville slugger to both headlights,  
Slashed a hole in all four tires...  
Maybe next time he'll think before he cheats.

I might've saved a little trouble for the next girl,  
'Cause the next time that he cheats...  
Oh, you know it won't be on me!

No... not on me

'Cause I dug my key into the side  
Of his pretty little souped-up four-wheel drive,  
Carved my name into his leather seats...  
I took a Louisville slugger to both headlights,  
Slashed a hole in all four tires...  
Maybe next time he'll think before he cheats.

Oh, maybe next time he'll think before he cheats...

Oh, before he cheats... oh, oh.

## "Blank Space"

Nice to meet you, where you been?  
I could show you incredible things  
Magic, madness, heaven, sin  
Saw you there and I thought  
Oh my God, look at that face  
You look like my next mistake  
Love's a game, wanna play?

New money, suit and tie  
I can read you like a magazine  
Ain't it funny, rumors fly  
And I know you heard about me  
So hey, let's be friends  
I'm dying to see how this one ends  
Grab your passport and my hand  
I can make the bad guys good for a weekend

So it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over  
If the high was worth the pain  
Got a long list of ex-lovers  
They'll tell you I'm insane  
'Cause you know I love the players  
And you love the game

'Cause we're young and we're reckless  
We'll take this way too far  
It'll leave you breathless  
Or with a nasty scar  
Got a long list of ex-lovers  
They'll tell you I'm insane  
But I've got a blank space, baby  
And I'll write your name

Cherry lips, crystal skies  
I could show you incredible things  
Stolen kisses, pretty lies  
You're the King, baby, I'm your Queen  
Find out what you want  
Be that girl for a month  
Wait, the worst is yet to come, oh no

Screaming, crying, perfect storms  
I can make all the tables turn  
Rose garden filled with thorns  
Keep you second guessing like  
"Oh my God, who is she?"

I get drunk on jealousy  
But you'll come back each time you leave  
'Cause, darling, I'm a nightmare dressed like a daydream

So it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over  
If the high was worth the pain  
Got a long list of ex-lovers  
They'll tell you I'm insane  
'Cause you know I love the players  
And you love the game

'Cause we're young and we're reckless  
We'll take this way too far  
It'll leave you breathless  
Or with a nasty scar  
Got a long list of ex-lovers  
They'll tell you I'm insane  
But I've got a blank space, baby  
And I'll write your name

Boys only want love if it's torture  
Don't say I didn't say, I didn't warn ya  
Boys only want love if it's torture  
Don't say I didn't say, I didn't warn ya

So it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over  
If the high was worth the pain  
Got a long list of ex-lovers  
They'll tell you I'm insane  
'Cause you know I love the players  
And you love the game

'Cause we're young and we're reckless  
We'll take this way too far  
It'll leave you breathless  
Or with a nasty scar  
Got a long list of ex-lovers  
They'll tell you I'm insane  
But I've got a blank space, baby  
And I'll write your name

## "Born This Way"

It doesn't matter if you love him, or capital H-I-M  
Just put your paws up  
'Cause you were born this way, baby

My mama told me when I was young  
We are all born superstars  
She rolled my hair and put my lipstick on  
In the glass of her boudoir

"There's nothing wrong with loving who you are"  
She said, "'Cause he made you perfect, babe"  
"So hold your head up girl and you'll go far,  
Listen to me when I say"

I'm beautiful in my way, 'Cause God makes no mistakes  
I'm on the right track, baby, I was born this way  
Don't hide yourself in regret, Just love yourself and you're set  
I'm on the right track, baby, I was born this way

Oh there ain't no other way, Baby I was born this way  
Baby I was born this way  
Oh there ain't no other way, Baby I was born this way  
I'm on the right track, baby I was born this way

Don't be a drag – just be a queen [x3] Don't be!

Give yourself prudence  
And love your friends  
Subway kid, rejoice your truth  
In the religion of the insecure  
I must be myself, respect my youth

A different lover is not a sin  
Believe capital H-I-M (Hey hey hey)  
I love my life I love this record and  
Mi amore vole fe yah (Love needs faith)

I'm beautiful in my way 'Cause God makes no mistakes  
I'm on the right track, baby I was born this way  
Don't hide yourself in regret Just love yourself and you're set  
I'm on the right track, baby I was born this way

Oh there ain't no other way, Baby I was born this way  
Baby I was born this way  
Oh there ain't no other way, Baby I was born this way  
I'm on the right track, baby I was born this way

Don't be a drag, just be a queen  
Whether you're broke or evergreen  
You're black, white, beige, chola descent  
You're Lebanese, you're orient  
Whether life's disabilities  
Left you outcast, bullied, or teased  
Rejoice and love yourself today  
'Cause baby you were born this way

No matter gay, straight, or bi  
Lesbian, transgendered life  
I'm on the right track baby  
I was born to survive  
No matter black, white or beige  
Chola or orient made  
I'm on the right track baby  
I was born to be brave

I'm beautiful in my way  
'Cause God makes no mistakes  
I'm on the right track, baby  
I was born this way  
Don't hide yourself in regret  
Just love yourself and you're set  
I'm on the right track, baby  
I was born this way

Oh there ain't no other way  
Baby I was born this way  
Baby I was born this way  
Oh there ain't no other way  
Baby I was born this way  
I'm on the right track, baby  
I was born this way

I was born this way hey!  
I was born this way hey!  
I'm on the right track baby  
I was born this way hey!  
I was born this way hey!  
I was born this way hey!  
I was born this way hey!  
I'm on the right track baby  
I was born this way hey!

Same DNA, but born this way  
Same DNA, but born this way  
*[Fade]*

## "Brown Eyed Girl"

Hey, where did we go  
Days when the rains came ?  
Down in the hollow  
Playing a new game,  
Laughing and a-running, hey, hey,  
Skipping and a-jumping  
In the misty morning fog with  
Our, our hearts a-thumping  
And you, my brown-eyed girl,  
You, my brown-eyed girl.

Whatever happened  
To Tuesday and so slow  
Going down to the old mine with a  
Transistor radio.  
Standing in the sunlight laughing  
Hide behind a rainbow's wall,  
Slipping and a-sliding  
All along the waterfall  
With you, my brown-eyed girl,  
You, my brown-eyed girl.

Do you remember when we used to sing  
Sha la la la la la la la la la dee dah  
Just like that  
Sha la la la la la la la la la dee dah  
La dee dah.

So hard to find my way  
Now that I'm all on my own.  
I saw you just the other day,  
My, how you have grown!  
Cast my memory back there, Lord,  
Sometime I'm overcome thinking about  
Making love in the green grass  
Behind the stadium  
With you, my brown-eyed girl,  
You, my brown-eyed girl.

Do you remember when we used to sing  
Sha la la la la la la la la la dee dah  
Laying in the green grass  
Sha la la la la la la la la la dee dah  
Dee dah dee dah dee dah dee dah dee dah dee  
Sha la la la la la la la la la la la la  
Dee dah la dee dah la dee dah la  
D-d-d-d-d-d-d-d-d-d...

## **"Call Me Maybe"**

I threw a wish in the well,  
Don't ask me, I'll never tell  
I looked to you as it fell,  
And now you're in my way

I'd trade my soul for a wish,  
Pennies and dimes for a kiss  
I wasn't looking for this,  
But now you're in my way

Your stare was holdin',  
Ripped jeans, skin was showin'  
Hot night, wind was blowin'  
Where do you think you're going, baby?

Hey, I just met you,  
And this is crazy,  
But here's my number,  
So call me, maybe!  
It's hard to look right  
At you baby,  
But here's my number,  
So call me, maybe!

Hey, I just met you,  
And this is crazy,  
But here's my number,  
So call me, maybe!  
And all the other boys,  
Try to chase me,  
But here's my number,  
So call me, maybe!

You took your time with the call,  
I took no time with the fall  
You gave me nothing at all,  
But still, you're in my way

I beg, and borrow and steal  
At first sight and it's real  
I didn't know I would feel it,  
But it's in my way

Your stare was holdin',  
Ripped jeans, skin was showin'  
Hot night, wind was blowin'  
Where you think you're going, baby?

Hey, I just met you,  
And this is crazy,  
But here's my number,  
So call me, maybe!  
It's hard to look right  
At you baby,  
But here's my number,  
So call me, maybe!

Hey, I just met you,  
And this is crazy,  
But here's my number,  
So call me, maybe!  
And all the other boys,  
Try to chase me,  
But here's my number,  
So call me, maybe!

Before you came into my life  
I missed you so bad  
I missed you so bad  
I missed you so, so bad  
Before you came into my life  
I missed you so bad  
And you should know that  
I missed you so, so bad (bad, bad)

It's hard to look right  
At you baby,  
But here's my number,  
So call me, maybe!

Hey, I just met you,  
And this is crazy,  
But here's my number,  
So call me, maybe!  
And all the other boys,  
Try to chase me,  
But here's my number,  
So call me, maybe!

Before you came into my life  
I missed you so bad  
I missed you so bad  
I missed you so, so bad  
Before you came into my life  
I missed you so bad  
And you should know that  
So call me, maybe!

## **"Can't Help Falling In Love"**

Wise men say  
Only fools rush in  
But I can't help falling in love with you  
Shall I stay?  
Would it be a sin  
If I can't help falling in love with you?

Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be  
Take my hand,  
Take my whole life, too  
For I can't help falling in love with you

Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be  
Take my hand,  
Take my whole life, too  
For I can't help falling in love with you  
For I can't help falling in love with you  
For I can't help falling in love with you

## **"Can't Take My Eyes Off You"**

You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you

Pardon the way that I stare  
There's nothing else to compare  
The sight of you leaves me weak  
There are no words left to speak  
But if you feel like I feel  
Please let me know that it's real  
You're just too good to be true  
Can't take my eyes off of you

I love you baby and if it's quite all right  
I need you baby to warm the lonely nights  
I love you baby, trust in me when I say  
Oh pretty baby, don't bring me down I pray  
Oh pretty baby, now that I've found you stay  
And let me love you baby, let me love you

You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you

I love you baby and if it's quite all right  
I need you baby to warm the lonely nights  
I love you baby, trust in me when I say  
Oh pretty baby, don't bring me down I pray  
Oh pretty baby, now that I've found you stay  
And let me love you baby, let me love you

## "Careless Whisper"

I Feel So Unsure  
As I take your hand  
And lead you to the dance floor  
As the music dies  
Something in your eyes  
Calls to mind a silver screen  
And all it's sad goodbyes

[Chorus:]

I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool  
I should have known better than to cheat a friend  
And waste a chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

Time can never mend  
The careless whisper of a good friend  
To the heart and mind  
Ignorance is kind  
There's no comfort in the truth  
Pain is all you'll find

[Chorus]

Tonight the music seems so loud  
I wish that we could lose this crowd  
Maybe it's better this way  
We'd hurt each other with the things we want to say  
We could have been so good together  
We could have lived this dance forever  
But now who's gonna dance with me  
Please stay

[Chorus]

Now that you've gone  
Now that you've gone  
Now that you've gone  
Was what I did so wrong  
So wrong that you had to leave me alone

## "Creep"

When you were here before,  
Couldn't look you in the eye,  
You're just like an angel,  
Your skin makes me cry,  
You float like a feather,  
In a beautiful world,  
I wish I was special,  
[Album version:] You're so fucking special.  
[Clean version:] You're so very special.

[Chorus:]  
But I'm a creep, I'm a weirdo,  
What the hell am I doing here?  
I don't belong here.

I don't care if it hurts,  
I want to have control,  
I want a perfect body,

I want a perfect soul,  
I want you to notice,  
When I'm not around,  
[Album version:] You're so fucking special,  
[Clean version:] You're so very special,  
I wish I was special.

[Chorus:]  
But I'm a creep, I'm a weirdo,  
What the hell am I doing here?  
I don't belong here.

Oh, oh

She's running out again,  
She's running out...  
She run run run run...  
Run...

Whatever makes you happy,  
Whatever you want,  
[Album version:] You're so fucking special,  
[Clean version:] You're so very special,  
I wish I was special...  
But I'm a creep, I'm a weirdo,  
What the hell am I doing here?  
I don't belong here,  
I don't belong here.

## **Dahil Sa Iyo**

Mike Velarde Jr.

Sa buhay ko'y labis ang hirap at pasakit  
(In my life, great is the pain and misery)

Ng pusong umiibig, mandi'y wala nang langit  
(For this heart that loves, it seems there is no hope/joy)

At nang lumigaya, hinango mo sa dusa  
(But joy came; you saved me from this suffering)

Tanging ikaw sinta, ang aking pag-asa.  
(Only you, my love, you're my only hope)

Dahil sa 'yo (Because of you)  
Nais kong mabuhay (I want to live)  
Dahil sa 'yo (Because of you)  
Hanggang mamatay (for the rest of my life)

Dapat mong tantuin (You should know)  
Wala nang ibang giliw (There's no other love)  
Puso ko'y tanungin (Ask my heart)  
Ikaw at ikaw rin (There's you and only you)

Dahil sa 'yo (Because of you)  
Ako'y lumigaya (I've become happy)  
Pagmamahal (Love...)  
Ay alayan ka (Is what I offer to you)

Kung tunay man ako (If it's true that I...)  
Ay alipinin mo (...will be enslaved by you)  
Ang lahat sa buhay ko'y (Everything in my life is)  
Dahil sa 'yo (Because of you)

## "Don't Speak"

You and me We used to be together  
Everyday together Always  
I really feel That I'm losing my best friend  
I can't believe This could be the end

It looks as though you're letting go And if it's real  
Well, I don't want to know

Don't speak, I know just what you're saying  
So please stop explaining  
Don't tell me 'cause it hurts  
Don't speak, I know what you're thinking  
I don't need your reasons  
Don't tell me 'cause it hurts

Our memories, They can be inviting  
But some are altogether, Mighty frightening  
As we die, Both you and I  
With my head in my hands, I sit and cry

Don't speak, I know just what you're saying  
So please stop explaining  
Don't tell me 'cause it hurts (No, no, no.)  
Don't speak, I know what you're thinking  
And I don't need your reasons  
Don't tell me 'cause it hurts

It's all ending, We gotta stop pretending who we are

You and me, I can see us dying. Are we?

Don't speak, I know just what you're saying  
So please stop explaining  
Don't tell me 'cause it hurts (No, no.)  
Don't speak, I know what you're thinking  
And I don't need your reasons  
Don't tell me 'cause it hurts, Don't tell me 'cause it hurts!

I know what you're saying  
So please stop explaining  
Don't speak, Don't speak, Don't speak

Oh, I know what you're thinking  
And I don't need your reasons  
I know you're good, I know you're good,  
I know you're real good, oh,

La, la, la, la, la, la, La, la, la, la, la, la  
Don't, don't, uh-huh

Hush, hush darlin' Hush, hush darlin'  
Hush, hush, Don't tell me 'cause it hurts

Hush, hush darlin' Hush, hush darlin'  
Hush, hush, Don't tell me 'cause it hurts

## **"Don't Stop Believin'"**

Just a small town girl  
Livin' in a lonely world  
She took the midnight train  
Goin' anywhere  
Just a city boy  
Born and raised in South Detroit  
He took the midnight train  
Goin' anywhere

A singer in a smokey room  
The smell of wine and cheap perfume  
For a smile they can share the night  
It goes on and on and on and on

Strangers waiting  
Up and down the boulevard  
Their shadows searching  
In the night  
Streetlight people  
Livin' just to find emotion  
Hidin' somewhere in the night

Workin' hard to get my fill  
Everybody wants a thrill  
Payin' anything to roll the dice  
Just one more time  
Some will win  
Some will lose  
Some were born to sing the blues  
Oh, the movie never ends  
It goes on and on and on and on

Strangers waiting  
Up and down the boulevard  
Their shadows searching  
In the night  
Streetlight people  
Livin' just to find emotion  
Hidin' somewhere in the night

Don't stop believin', Hold on to that feelin'  
Streetlight people  
Don't stop believin', Hold on to that feelin'  
Streetlight people  
Don't stop

## "Don't Worry, Be Happy"

Ooh, ooh ooh ooh oo-oooh ooh oo-oooh ooh ooh oo-oooh

Here's a little song I wrote  
You might want to sing it note for note  
Don't worry, be happy  
In every life we have some trouble  
When you worry you make it double  
Don't worry, be happy  
Don't worry, be happy now

Ooh, ooh ooh ooh oo-oooh ooh oo-oooh ooh ooh oo-oooh

(Don't worry)

Ooh oo-oooh ooh ooh oo-oooh

(Be happy)

Ooh oo-oooh oo-oooh

(Don't worry, be happy)

Ooh, ooh ooh ooh oo-oooh ooh oo-oooh ooh ooh oo-oooh

(Don't worry)

Ooh oo-oooh ooh ooh oo-oooh

(Be happy)

Ooh oo-oooh oo-oooh

(Don't worry, be happy)

Ain't got no place to lay your head  
Somebody came and took your bed  
Don't worry, be happy  
The land lord say your rent is late  
He may have to litigate  
Don't worry, be happy  
(Look at me I'm happy)

Ooh, ooh ooh ooh oo-oooh ooh oo-oooh ooh ooh oo-oooh

(Don't worry)

Ooh oo-oooh ooh ooh oo-oooh

(Be Happy)

Ooh oo-oooh oo-oooh

Here I give you my phone number

When you worry call me, I make you happy

Ooh, ooh ooh ooh oo-oooh ooh oo-oooh ooh ooh oo-oooh

(Don't worry)

Ooh oo-oooh ooh ooh oo-oooh

(Be happy)

Ooh oo-oooh oo-oooh

Ain't got no cash, ain't got no style  
Ain't got no gal to make you smile  
But don't worry, be happy  
'Cause when you worry your face will frown  
And that will bring everybody down  
So don't worry, be happy  
Don't worry, be happy now

Ooh, ooh ooh ooh oo-oo ooh oo-oo ooh ooh oo-oo  
(Don't worry)  
Ooh oo-oo ooh ooh oo-oo  
(Be happy)  
Ooh oo-oo oo-oo  
Don't worry, be happy  
Ooh, ooh ooh ooh oo-oo ooh oo-oo ooh ooh oo-oo  
(Don't worry)  
Ooh oo-oo ooh ooh oo-oo  
(Be happy)  
Ooh oo-oo oo-oo  
Don't worry, be happy

## **"Drop Baby Drop"**

My heart does the tango,  
With every little move you make  
I love you like a mango,  
'cause we can do it everyday  
I want you to drop baby, drop baby, drop,  
Drop all your love on me  
Drop baby, drop baby, drop, drop 'cause I'm hungry  
Drop baby, drop baby, drop, drop all your love on me  
Drop baby, drop baby, drop, drop 'cause I'm hungry

My nights would be so lonely,  
If ever you should choose to go  
I'd live just like a zombie,  
With very little love to show  
I want you to drop baby, drop baby, drop,  
Drop all your love on me  
Drop baby, drop baby, drop, drop 'cause I'm hungry  
Drop baby, drop baby, drop, drop all your love on me  
Drop baby, drop baby, drop, drop 'cause I'm hungry

Who loves you pretty baby,  
Who's gonna help you through the night  
Who loves you pretty mama,  
Who's always there to make it right  
Who loves you,  
Who loves you pretty baby,  
Who's gonna love you mama, baby drop

My heart does the tango,  
With every little move you make  
I love you like a mango,  
'cause we can make it everyday  
I want you to drop baby, drop baby, drop,  
Drop all your love on me  
Drop baby, drop baby, drop, drop 'cause I'm hungry  
Drop baby, drop baby, drop, drop all your love on me  
Drop baby, drop baby, drop, drop 'cause I'm hungry

## "End Of The Road"

[Spoken:]

Girl, you know we belong together  
I have no time for you to be playing with my heart like this  
You'll be mine forever, baby, you just see

[Verse:]

We belong together  
And you know that I'm right  
Why do you play with my heart?  
Why do you play with my mind?  
Said we'd be forever  
Said it'd never die  
How could you love me and leave me  
And never say goodbye?

When I can't sleep at night without holding you tight  
Girl, each time I try I just break down and cry  
Pain in my head oh I'd rather be dead  
Spinnin' around and around

[Chorus:]

Although we've come to the end of the road  
Still I can't let you go  
It's unnatural, you belong to me, I belong to you  
Come to the end of the road  
Still I can't let you go  
It's unnatural, you belong to me, I belong to you

Girl, I know you really love me,  
You just don't realize  
You've never been there before  
It's only your first time  
Maybe I'll forgive you, hmm  
Maybe you'll try  
We should be happy together  
Forever, you and I

Will you love me again like you loved me before  
This time I want you to love me much more  
This time instead just come to my bed  
And, baby, just don't let me down

Although we've come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me, I belong to you  
Come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me, I belong to you

[Spoken:]

Girl, I'm here for you  
All those times at night when you just hurt me  
And just run out with that other fella  
Baby, I knew about it, I just didn't care  
You just don't understand how much I love you do you?  
I'm here for you  
I'm not out to go out and cheat on you all night  
Just like you did, baby, but that's all right  
Hey, I love you anyway  
And I'm still gonna be here for you 'till my dying day, baby  
Right now, I'm just in so much pain, baby  
'Cause you just won't come back to me  
Will you? Just come back to me

(Lonely)

Yes, baby, my heart is lonely

(Lonely)

My heart hurts, baby

(Lonely)

Yes I feel pain too

Baby, please

This time instead just come to my bed

And, baby, just don't let me down

[Chorus:]

Although we've come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me, I belong to you  
Come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me, I belong to you

[Chorus — a cappella:]

Although we've come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me, I belong to you  
Come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me, I belong to you

## **"Fly Me To The Moon (In Other Words)"**

Fly me to the moon  
Let me play among the stars  
Let me see what spring is like  
On a-Jupiter and Mars  
In other words, hold my hand  
In other words, baby, kiss me

Fill my heart with song  
And let me sing for ever more  
You are all I long for  
All I worship and adore  
In other words, please be true  
In other words, I love you

[instrumental-first verse]

Fill my heart with song  
Let me sing for ever more  
You are all I long for  
All I worship and adore  
In other words, please be true  
In other words, in other words  
I love [3 piano notes] you

## "Forget You!"

[Chorus:]

I see you driving 'round town  
With the girl I love and I'm like,  
Forget you! Oo, oo, ooo  
I guess the change in my pocket  
Wasn't enough I'm like,  
Forget you! And forget her too!  
Said, if I was richer, I'd still be with ya  
Ha, now ain't that some shit? (ain't that some shit?)  
And although there's pain in my chest  
I still wish you the best with a...  
Forget you! Oo, oo, ooo

Yeah I'm sorry, I can't afford a Ferrari,  
But that don't mean I can't get you there.  
I guess he's an Xbox and I'm more Atari,  
About the way you play your game ain't fair.

I pity the fool that falls in love with you (Oh shit she's a gold digger)  
Well (Just thought you should know nigga)  
Ooooooh, I've got some news for you  
Yeah go run and tell your little boyfriend

[Chorus]

Now I know, that I had to borrow,  
Beg and steal and lie and cheat.  
Trying to keep ya, trying to please ya.  
'Cause being in love with your ass ain't cheap.

I pity the fool that falls in love with you (Oh shit she's a gold digger)  
Well (Just thought you should know nigga)  
Ooooooh  
I've got some news for you  
Ooh, I really hate your ass right now

[Chorus]

Now baby, baby, baby why d'you wanna wanna hurt me so bad?  
(So bad, so bad, so bad)  
I tried to tell my mamma but she told me  
"This is one for your dad"  
(Your dad, your dad, your dad)  
Yes she did  
And I was like Uh! Whhhhy? Uh! Whhhhy? Uh!  
Whhhhy lady? Oh! I love you oh!  
I still love you. Oooh!

[Chorus]

## **"Friends In Low Places"**

Blame it all on my roots , I showed up in boots  
And ruined your black tie affair  
The last one to know, The last one to show  
I was the last one you thought you'd see there  
And I saw the surprise, And the fear in his eyes  
When I took his glass of champagne  
And I toasted you, Said, honey, we may be through  
But you'll never hear me complain

'Cause I've got friends in low places  
Where the whiskey drowns  
And the beer chases my blues away  
And I'll be okay  
I'm not big on social graces  
Think I'll slip on down to the oasis  
Oh, I've got friends in low places

Well, I guess I was wrong, I just don't belong  
But then, I've been there before  
Everything's all right, I'll just say goodnight  
And I'll show myself to the door  
Hey, I didn't mean, To cause a big scene  
Just give me an hour and then  
Well, I'll be as high, As that ivory tower  
That you're livin' in

'Cause I've got friends in low places  
Where the whiskey drowns  
And the beer chases my blues away  
And I'll be okay  
I'm not big on social graces  
Think I'll slip on down to the oasis  
Oh, I've got friends in low places

I guess I was wrong, I just don't belong  
But then, I've been there before  
And everything is alright, I'll just say goodnight  
And I'll show myself to the door  
I didn't mean to cause a big scene, Just wait 'til I finish this glass  
Then sweet little lady, I'll head back to the bar  
And you can kiss my ass

## "Girls Just Want To Have Fun"

I come home in the morning light  
My mother says, "When you gonna live your life right?"  
Oh, mamma, dear, we're not the fortunate ones  
And girls—they wanna have fun  
Oh, girls just wanna have fun

The phone rings in the middle of the night  
My father yells, "What you gonna do with your life?"  
Oh, daddy, dear, you know you're still number one  
But girls—they wanna have fun  
Oh, girls just wanna have

That's all they really want  
Some fun  
When the working day is done  
Oh, girls—they wanna have fun  
Oh, girls just wanna have fun

Girls—they wanna  
Wanna have fun  
Girls wanna have

Some boys take a beautiful girl  
And hide her away from the rest of the world  
I wanna be the one to walk in the sun  
Oh girls they wanna have fun  
Oh girls just wanna have

That's all they really want  
Some fun  
When the working day is done  
Oh, girls—they wanna have fun  
Oh girls just wanna have fun,

Girls—they wanna  
Wanna have fun  
Girls wanna have

*[Ad-libs:]*

They just wanna  
They just wanna  
Girls  
Just wanna  
Girls just wanna have fun  
They just wanna  
Girls just wanna have fun  
Just wanna  
Just wanna  
They just wanna  
They just wanna  
When the working day is done  
Everybody  
They just wanna

## "Happy"

[Verse 1:]

It might seem crazy what I'm about to say  
Sunshine she's here, you can take a break  
I'm a hot air balloon that could go to space  
With the air, like I don't care baby by the way

{Uh}

[Chorus:]

Because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you  
Because I'm happy  
Clap along if you feel like that's what you wanna do

[Verse 2:]

Here come bad news talking this and that, yeah,  
Well, give me all you got, and don't hold it back, yeah,  
Well, I should probably warn you I'll be just fine, yeah,  
No offense to you, don't waste your time  
Here's why

[Chorus]

[Bridge:]

(Happy)  
Bring me down, Can't nothing  
Bring me down, My level's too high  
Bring me down, Can't nothing  
Bring me down, I said (let me tell you now)  
Bring me down, Can't nothing  
Bring me down, My level's too high  
Bring me down, Can't nothing  
Bring me down, I said

[Chorus x2]

(Happy) [repeats]

Bring me down... can't nothing...  
Bring me down... my level's too high...  
Bring me down... can't nothing...  
Bring me down, I said (let me tell you now)

[Chorus x2]

## "Hey Ya"

[Intro]

One, two, three, uh!

[Verse One - Andre 3000]

My baby don't mess around

Because she loves me so

And this I know for sure.

Uh, But does she really wanna

But can't stand to see me

Walk out the door.

Don't try to fight the feelin'

'Cause the thought alone is killing me right now..

Uh, thank god for mom and dad

For sticking two together

'Cause we don't know how...

UH!

[Chorus:]

Hey... ya.

Hey ya.

Hey... ya.

Hey ya.

Hey... ya.

Hey ya.

Hey... ya.

Hey ya.

[Verse Two - Andre 3000]

You think you've got it

Oh, you think you've got it

But got it just don't get it

'Til there's nothing at all

We get together

Oh, we get together

But separate's always better when there's feelings involved

If what they say is "Nothing is forever"

Then what makes, then what makes, then what makes

Then what makes, what makes, what makes love the exception

So why you, why you

Why you, why you, why you are we so in denial

When we know we're not happy here...

Y'all don't want me here you just wanna dance

[Chorus]

Hey... ya. (OH OH)

Hey ya. (OH OH)

Hey... ya. (Don't want to meet your daddy, OH OH)

Hey ya. (Just want you in my Caddy OH OH)

Hey... ya. (OH OH, don't want to meet yo' mama OH OH)  
Hey ya. (Just want to make you cumma OH OH)  
Hey... ya. (I'm, OH OH I'm, OH OH)  
Hey ya. (I'm just being honest OH OH, I'm just being honest)

[Bridge - Andre 3000]

Hey, alright now  
Alright now fellas yeah!  
Now what's cooler than bein' cool?  
(ICE COLD!)  
I can't hear ya'  
I say what's, what's cooler than bein' cool?  
(ICE COLD!)  
Whooo...  
Alright, alright, alright, alright  
Alright, alright, alright, alright  
Alright, alright, alright, alright  
Alright, alright,  
OK now ladies (yeah!)  
Now we gon' break this thing down in just a few seconds  
Now don't have me to break this thing down for nothing  
Now I wanna see y'all on your baddest behavior  
Lend me some sugar, I am your neighbor  
Uh! Here we go know...  
Shake it, shake, shake it, shake it (oh oh)  
Shake it, shake it, shake, shake it, shake it, shake it (oh oh)  
Shake it, shake it like a Polaroid Picture, shake it, shake it  
Shh you got to, shake it, shh shake it, shake it, got to shake it  
(Shake it sugar) shake it like a Polaroid Picture

[Verse Three - Andre 3000 (Repeating "Shake it" in background)]

Now all Beyoncé's and Lucy Liu's  
And baby dolls, get on the floor  
(Get on the floor)  
You know what to do.  
You know what to do.  
You know what to do!

[Chorus]

Hey... ya. (OH OH)  
Hey ya. (OH OH)  
Hey... ya. (OH OH)  
Hey ya. (Uh oh, Hey ya)  
Hey... ya. (OH OH)  
Hey ya. (Uh, uh, OH OH)  
Hey... ya. (OH OH)  
Hey ya. (OH OH)

[Chorus continues until fade]

## "Hotel California"

On a dark desert highway, cool wind in my hair  
Warm smell of colitas, rising up through the air  
Up ahead in the distance, I saw a shimmering light  
My head grew heavy and my sight grew dim  
I had to stop for the night

There she stood in the doorway;  
I heard the mission bell  
And I was thinking to myself,  
"This could be Heaven or this could be Hell"  
Then she lit up a candle and she showed me the way  
There were voices down the corridor,  
I thought I heard them say...

Welcome to the Hotel California  
Such a lovely place (Such a lovely place)  
Such a lovely face  
Plenty of room at the Hotel California  
Any time of year (Any time of year)  
You can find it here

Her mind is Tiffany-twisted, she got the Mercedes bends  
She got a lot of pretty, pretty boys she calls friends  
How they dance in the courtyard, sweet summer sweat.  
Some dance to remember, some dance to forget

So I called up the Captain,  
"Please bring me my wine"  
He said, "We haven't had that spirit here since nineteen sixty nine"  
And still those voices are calling from far away,  
Wake you up in the middle of the night  
Just to hear them say...

Welcome to the Hotel California  
Such a lovely place (Such a lovely place)  
Such a lovely face  
They livin' it up at the Hotel California  
What a nice surprise (what a nice surprise)  
Bring your alibis

Mirrors on the ceiling,  
The pink champagne on ice  
And she said "We are all just prisoners here,  
Of our own device"  
And in the master's chambers,  
They gathered for the feast  
They stab it with their steely knives,  
But they just can't kill the beast

Last thing I remember, I was  
Running for the door  
I had to find the passage back  
To the place I was before  
"Relax, " said the night man,  
"We are programmed to receive.  
You can check-out any time you like,  
But you can never leave! "

**"I Wanna Dance With Somebody"**

Huh, yeah, woo, hey, yeah, huh

Ooh yeah, uh huh, yeah

I want to dance

Clock strikes upon the hour  
And the sun begins to fade  
Still enough time to figure out  
How to chase my blues away

I've done alright up 'til now  
It's the light of day that shows me how  
And when the night falls  
The loneliness calls

Oh! I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah! I wanna dance with somebody  
With somebody who loves me

Oh! I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah! I wanna dance with somebody  
With somebody who loves me

I've been in love and lost my senses  
Spinning through the town  
Sooner or later the fever ends  
And I wind up feeling down

I need a man who'll take a chance  
On a love that burns hot enough to last  
So when the night falls  
My lonely heart calls

Oh! I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah! I wanna dance with somebody  
With somebody who loves me

Oh! I wanna dance with somebody  
I wanna feel the heat  
Yeah! I wanna dance with somebody  
With somebody who loves me

Somebody who  
Somebody who  
Somebody who loves me

Somebody who  
Somebody who  
To hold me in his arms

I need a man who'll take a chance  
On a love that burns hot enough to last  
So when the night falls  
My lonely heart calls

Oh! I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah! I wanna dance with somebody  
With somebody who loves me

Oh! I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah! I wanna dance with somebody  
With somebody who loves me

Uh-huh  
(Dance)  
Come on, baby, ha, ha  
(Dance)  
Woo, yeah  
(Dance)  
Now get with this, ha, ha, ha  
Whoa, oh, oh

Don't you wanna dance (dance) with me baby?  
Don't you wanna dance (dance) with me boy?  
Don't you wanna dance (dance) with me baby?

With somebody who loves me

Don't you wanna dance?  
Say you wanna dance?  
Don't you wanna dance?  
(Dance)

Don't you wanna dance?  
Say you wanna dance?  
Don't you wanna dance?  
(Dance)

Don't you wanna dance?  
Say you wanna dance  
Uh-huh  
(Dance)  
With somebody who loves me

(Dance)  
(Dance)  
(Dance)  
Hey, baby

## **"I Will Survive"**

At first I was afraid, I was petrified  
Kept thinking I could never live, without you by my side  
But then I spent so many nights, thinking how you did me wrong  
And I grew strong, and I learned how to get along  
and so you're back, from outer space  
I just walked in to find you here, with that sad look upon your face  
I should have changed that stupid lock, I should have made you leave your key  
If I had known for just one second, you'd be back to bother me

Go on now go walk out the door, just turn around now  
'cause you're not welcome anymore  
weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble, did you think I'd lay down and die  
Oh no, not I

I will survive, Oh as long as I know how to love  
I know I will stay alive  
I've got all my life to live, I've got all my love to give  
and I'll survive, I will survive (hey-hey)

It took all the strength I had, not to fall apart  
kept trying hard to mend the pieces of my broken heart  
and I spent oh so many nights, just feeling sorry for myself  
I used to cry, But now I hold my head up high  
and you see me, somebody new  
I'm not that chained up little person still in love with you  
and so you felt like dropping in, and just expect me to be free  
and now I'm saving all my loving, for someone who's loving me

Go on now go walk out the door, just turn around now  
'cause you're not welcome anymore  
weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble, did you think I'd lay down and die  
Oh no, not I

I will survive, Oh as long as I know how to love  
I know I will stay alive  
I've got all my life to live, I've got all my love to give  
and I'll survive, I will survive (hey-hey)

## **"If I Ain't Got You"**

Some people live for the fortune  
Some people live just for the fame  
Some people live for the power, yeah  
Some people live just to play the game  
Some people think that the physical things  
Define what's within  
And I've been there before  
But that life's a bore  
So full of the superficial

[Chorus:]

Some people want it all, but I don't want nothing at all  
If it ain't you, baby, If I ain't got you, baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you, yeah

Some people search for a fountain  
That promises forever young  
Some people need three dozen roses  
And that's the only way to prove you love them  
Hand me the world on a silver platter  
And what good would it be  
With no one to share  
With no one who truly cares for me

[Chorus:]

Some people want it all, but I don't want nothing at all  
If it ain't you, baby, if I ain't got you, baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you, you, you  
Some people want it all, but I don't want nothing at all  
If it ain't you, baby, if I ain't got you, baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you, yeah

[Outro:]

If I ain't got you with me, baby  
So nothing in this whole wide world don't mean a thing  
If I ain't got you with me, baby

## **"I'll Make Love To You"**

Close your eyes, make a wish  
And blow out the candlelight  
For tonight is just your night  
We're gonna celebrate, all thru the night

Pour the wine, light the fire  
Girl your wish is my command  
I submit to your demands  
I'll do anything, girl you need only ask

[Chorus:]

I'll make love to you  
Like you want me to  
And I'll hold you tight  
Baby all through the night  
I'll make love to you  
When you want me to  
And I will not let go  
'Till you tell me to

Girl relax, let's go slow  
I ain't got nowhere to go  
I'm just gonna concentrate on you  
Girl are you ready, it's gonna be a long night  
Throw your clothes (Throw your clothes) on the floor (on the floor)  
I'm gonna take my clothes off too  
I made plans to be with you  
Girl whatever you ask me, you know, I could do

[Chorus:]

I'll make love to you  
Like you want me to  
And I'll hold you tight  
Baby all through the night  
I'll make love to you  
When you want me to  
And I will not let go  
'Till you tell me to

Baby tonight is your night  
And I will do you right  
Just make a wish on your night  
Anything that you ask  
I will give you the love of your life, your life, your life

[Repeat Chorus]

## **"I'm Yours"**

Well, you done done me and you bet I felt it  
I tried to be chill, but you're so hot that I melted  
I fell right through the cracks  
Now I'm trying to get back

Before the cool done run out  
I'll be giving it my bestest  
And nothing's gonna stop me but divine intervention.  
I reckon, it's again my turn  
To win some or learn some.

But I won't hesitate, no more, no more.  
It cannot wait, I'm yours.

Well, open up your mind and see like me,  
Open up your plans and damn you're free.  
Look into your heart and you'll find love, love, love, love.  
Listen to the music of the moment, people dance and sing,  
we're just one big family  
And it's our God-forsaken right to be loved, loved, loved, loved, loved

So I won't hesitate, no more, no more.  
It cannot wait, I'm sure.  
There's no need to complicate, our time is short.  
This is our fate, I'm yours.

Do you want to come on, scooch on over closer, dear  
And I will nibble your ear

I've been spending way too long checking my tongue in the mirror  
And bending over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed.

I guess what I'll be saying is there ain't no better reason  
To rid yourself of vanities and just go with the seasons.  
It's what we aim to do.  
Our name is our virtue.

But I won't hesitate, no more, no more.  
It cannot wait, I'm yours.

Well, open up your mind and see like me,  
Open up your plans and damn you're free.  
Look into your heart and you'll find that the sky is yours.  
So please don't, please don't, please don't...There's no need to complicate.  
'Cause our time is short. This oh, this oh, this is our fate.  
I'm yours.

## "Is This Love"

I wanna love you and treat you right;  
I wanna love you every day and every night:  
We'll be together with a roof right over our heads;  
We'll share the shelter of my single bed;  
We'll share the same room, yeah! - for Jah provide the bread.  
Is this love - is this love - is this love -  
Is this love that I'm feelin'?  
Is this love - is this love - is this love -  
Is this love that I'm feelin'?  
I wanna know - wanna know - wanna know now!  
I got to know - got to know - got to know now!

I-I-I-I-I-I-I-I - I'm willing and able,  
So I throw my cards on your table!  
I wanna love you - I wanna love and treat - love and treat you right;  
I wanna love you every day and every night:  
We'll be together, yeah! - with a roof right over our heads;  
We'll share the shelter, yeah, oh now! - of my single bed;  
We'll share the same room, yeah! - for Jah provide the bread.

Is this love - is this love - is this love -  
Is this love that I'm feelin'?  
Is this love - is this love - is this love -  
Is this love that I'm feelin'?  
Wo-o-o-oah! Oh yes, I know; yes, I know - yes, I know now!  
Yes, I know; yes, I know - yes, I know now!

I-I-I-I-I-I-I-I - I'm willing and able,  
So I throw my cards on your table!  
See: I wanna love ya, I wanna love and treat ya -  
love and treat ya right.  
I wanna love you every day and every night:  
We'll be together, with a roof right over our heads!  
We'll share the shelter of my single bed;  
We'll share the same room, yeah! Jah provide the bread.  
We'll share the shelter of my single bed - [fadeout]

## "Island In The Sun"

Hip hip (x4)

When you're on a holiday  
You can't find the words to say  
All the things that come to you  
And I wanna feel it too

On an island in the sun  
We'll be playing and having fun  
And it makes me feel so fine  
I can't control my brain

Hip hip  
Hip hip

When you're on a golden sea  
You don't need no memory  
Just a place to call your own  
As we drift into the zone

On an island in the sun  
We'll be playing and having fun  
And it makes me feel so fine  
I can't control my brain

We'll run away together  
We'll spend some time forever  
We'll never feel bad anymore

Hip hip (x3), Guitar Solo

On an island in the sun  
We'll be playing and having fun  
And it makes me feel so fine  
I can't control my brain

We'll run away together  
We'll spend some time forever  
We'll never feel bad anymore

Hip hip

We'll never feel bad anymore  
No no  
We'll never feel bad anymore  
No no  
No no  
No no

## **Island Style**

On the island, we do it island style  
From the mountain to the ocean from the windward to the leeward side

On the island, we do it island style  
From the mountain to the ocean from the windward to the leeward side

Mama's in the kitchen cooking dinner real nice  
Beef stew on the stove, lomi salmon with the ice  
We eat and drink and we sing all day  
Kanikapila in the old Hawaiian way

On the island, we do it island style  
From the mountain to the ocean from the windward to the leeward side

On the island, we do it island style  
From the mountain to the ocean from the windward to the leeward side

We go grandma's house on the weekend clean yard  
If we no go, grandma gotta work hard  
You know my grandma, she like the poi real sour  
I love my grandma every minute, every hour

On the island, we do it island style  
From the mountain to the ocean from the windward to the leeward side

On the island, we do it island style  
From the mountain to the ocean from the windward to the leeward side

Mama's in the kitchen cooking dinner real nice  
Beef stew on the stove, lomi salmon with the ice  
We eat and drink and we sing all day  
Kanikapila in the old Hawaiian way

On the island, we do it island style  
From the mountain to the ocean from the windward to the leeward side

On the island, we do it island style  
From the mountain to the ocean from the windward to the leeward

## "Just Friends"

Girl I know this might seem strange  
But let me know if I'm out of order  
For stepping to you this way  
See I've been watching you for a while  
And I just gotta let you know  
That I'm really feeling your style  
Cause I have to know your name  
And leave you with my number  
And I hope that you would call me someday  
If you want you can give me yours too  
And if you don't I ain't mad at'cha  
We can still be cool cause

I'm not trying to pressure you  
Just can't stop thinkin' 'bout you  
You ain't even really gotta be my girlfriend  
I just wanna know your name  
And maybe some time  
We can hook up, hang out, just chill

Damn I'm surprised that you called  
Cause the way you walked away  
I thought I wasn't gon see you no more  
Since you didn't wanna give me your name  
I thought that you were iggin' me  
And wasn't diggin' me  
But anyway what you doing tonight  
I'll probably be with my peeps  
If it's cool with you maybe we'll swing by  
And you can just chill with us  
Or you can just chill with me  
As long as you're comfortable  
And you feel secure when your with me cause

I'm not trying to pressure you  
Just can't stop thinkin' 'bout you  
You ain't even really gotta be my girlfriend  
I just wanna know your name  
And maybe some time  
We can hook up, hang out, just chill

I'm not trying to pressure you  
Just can't stop thinkin' 'bout you  
You ain't even really gotta be my girlfriend  
I just wanna know your name  
And maybe some time  
We can hook up, hang out, just chill

## "Just My Imagination (Running Away With Me)"

Ooo

Each day through my window I watch her as she passes by.  
I say to myself, you're such a lucky guy.  
To have a girl like her is truly a dream come true.  
Out of all the fellas in the world, she belongs to me.

But it was just my 'magination, running away with me.  
It was just my 'magination, running away with me.

(Soon) Soon we'll be married and raise a family. (Oh, yeah)  
A cozy little home out in the country with two children, maybe three.  
I tell you, I can visualize it all. This couldn't be a dream, for too real it all seems.

But it was just my 'magination, once again.  
Running away with me.  
Tell you it was just my 'magination,  
Running away with me.

[Paul:] Every night on my knees I pray.

Dear Lord, hear my plea.  
Don't ever let another take her love from me.  
Or I will surely die. Hmm

(Her love is) heavenly.  
When her arms enfold me.  
I hear a tender rhapsody.  
But in reality, she doesn't even know me.

Just my 'magination, once again.  
Running away with me.  
Oh, tell you it was just my 'magination,  
Running away with me.

I never met her but I can't forget her.  
Just my 'magination,  
Ooo yeah, yeah, yeah, yeah.  
Running away with me.

Ooo, just my 'magination running away with me.  
She's in my mind and hard to find.  
Just my 'magination...

## "Just The Way You Are"

Ohhhhh ohhhhhh ohhhhhh ohhhhhh

[Verse 1:]

Oh, her eyes, her eyes, make the stars look like they're not shinin'  
Her hair, her hair, falls perfectly without her trying  
She's so beautiful, and I tell her everyday...yeah  
I know, I know, when I compliment her she won't believe me  
And it's so, it's so, sad to think that she don't see what I see  
But every time she asks me, "Do I look okay?" I say,

[Chorus:]

When I see your face (face, face...)  
There's not a thing that I would change  
'Cause you're amazing (amazing)  
Just the way you are (are)  
And when you smile (smile, smile...)  
The whole world stops and stares for a while  
'Cause, girl, you're amazing (amazing)  
Just the way you are (are).  
Yeah

[Verse 2:]

Her lips, her lips, I could kiss them all day if she'd let me  
Her laugh, her laugh, She hates but I think it's so sexy  
She's so beautiful, and I tell her everyday,  
Oh you know, you know, you know I'd never ask you to change  
If perfect's what you're searching for, then just stay the same  
So don't even bother asking if you look okay, you know I'll say,

[Chorus:]

When I see your face (face, face...)  
There's not a thing that I would change  
'Cause you're amazing (amazing)  
Just the way you are (are)  
And when you smile (smile, smile...)  
The whole world stops and stares for a while  
'Cause, girl, you're amazing (amazing)  
Just the way you are (are)

The way you are, the way you are  
Girl, you're amazing (amazing)  
Just the way you are (are)

[Chorus:]

When I see your face, there's not a thing that I would change  
'Cause you're amazing (amazing), just the way you are (are)  
And when you smile, the whole world stops and stares for a while  
'Cause, girl, you're amazing, just the way you are...yeah

## "Killing Me Softly"

[LAURYN:]

Strumming my pain with his fingers,  
Singing my life with his words,  
Killing me softly with his song,  
Killing me softly with his song,  
Telling my whole life with his words,  
Killing me softly with his song.

[FUGEES:]

Hi, yo yea yea. This is wyclef refugee  
El boogie up in here...Rise well, little  
While I'm on this I got my girl L one time! one time!  
Hey yo L you know you got the lyrics!

I heard he sang a good song, I heard he had a style,  
And so I came to see him and listen for a while.  
And there he was this young boy, a stranger to my eyes,

Strumming my pain with his fingers (one time),  
Singing my life with his words (two times),  
Killing me softly with his song,  
Killing me softly with his song,  
Telling my whole life with his words,  
Killing me softly with his song.

I felt all flushed with fever, embarrassed by the crowd,  
I felt he found my letters and read each one out loud.  
I prayed that he would finish, but he just kept right on...

Strumming my pain with his fingers (one time),  
Singing my life with his words (two times),  
Killing me softly with his song,  
Killing me softly with his song,  
Telling my whole life with his words,  
Killing me softly with his song

Whoa.....La la la la la la, Whoa, ah, whoa, ah.....

[CLEF:]

Yo L-Boogie, take it to the bridge

[LAURYN:]

Strumming my pain with his fingers (yes, he was singing),  
Singing my life with his words,  
Killing me softly with his song,  
Killing me softly with his song,  
Telling my whole life with his words,  
Killing me softly with his song.

## **"Kiss From A Rose"**

There used to be a graying tower alone on the sea.  
You became the light on the dark side of me.  
Love remained a drug that's the high and not the pill.  
But did you know, that when it snows,  
My eyes become large and  
The light that you shine can be seen.

Baby, I compare you to a kiss from a rose on the gray.  
Ooh, The more I get of you,  
The stranger it feels, yeah.  
And now that your rose is in bloom.  
A light hits the gloom on the gray.

There is so much a man can tell you, so much he can say.  
You remain, my power, my pleasure, my pain, baby  
To me you're like a growing addiction that I can't deny.  
Won't you tell me is that healthy, baby?  
But did you know, that when it snows,  
My eyes become large and the light that you shine can be seen.

Baby, I compare you to a kiss from a rose on the gray.  
Ooh, the more I get of you, the stranger it feels, yeah  
Now that your rose is in bloom, A light hits the gloom on the gray,

I've been kissed by a rose on the gray,  
I've been kissed by a rose  
I've been kissed by a rose on the gray,  
...And if I should fall along the way  
I've been kissed by a rose  
...been kissed by a rose on the gray.

There is so much a man can tell you, so much he can say.  
You remain, my power, my pleasure, my pain.  
To me you're like a growing addiction that I can't deny, yeah  
Won't you tell me is that healthy, baby.  
But did you know, that when it snows,  
My eyes become large and the light that you shine can be seen.

Baby, I compare you to a kiss from a rose on the gray.  
Ooh, the more I get of you,  
The stranger it feels, yeah  
Now that your rose is in bloom,  
A light hits the gloom on the gray.  
Now that your rose is in bloom,  
A light hits the gloom on the gray.

## **"Lean On Me"**

Sometimes in our lives  
We all have pain, we all have sorrow  
But if we are wise  
We know that there's always tomorrow

Lean on me when you're not strong  
And I'll be your friend, I'll help you carry on  
For it won't be long  
'Til I'm gonna need somebody to lean on

Please, swallow your pride  
If I have things you need to borrow  
For no one can fill those of your needs  
That you won't let show

You just call on me, brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

Lean on me when you're not strong  
And I'll be your friend, I'll help you carry on  
For it won't be long  
'Til I'm gonna need somebody to lean on

You just call on me, brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

If there is a load  
You have to bear that you can't carry  
I'm right up the road, I'll share your load  
If you just call me

Call me (If you need a friend)  
Call me (Call me uh-huh)  
Call me (When you need a friend)  
Call me (If you ever need a friend)  
Call me (Call me)  
Call me (Call me)  
Call me (Call me)  
Call me

## **"Let's Stay Together"**

I'm... I'm so in love with you  
Whatever you want to do  
Is all right with me...  
'Cause you... make me feel so brand new...  
And I... want to spend my life with you...

Let me say that since, baby  
Since we've been together  
Ooo...Loving you forever  
Is what I... need...  
Let me... be the one you come running to...  
I'll... never be untrue...

Ooo baby...Let's, let's stay together...  
Loving you whether, whether  
Times are good or bad, happy or sad  
Ooooo... Oooo... Yeah...  
Whether times are good or bad, happy or sad

Why, somebody, why people break-up  
Ohhh, turn around and make-up  
I just can't see  
You'd... never do that to me... (would you, baby?)  
Bein' around you is all I see

(Here's what I want us to do)

Let's, we oughta stay together  
Loving you whether, whether  
Times are good or bad, happy or sad... Come on

Let's, let's stay together  
Loving you whether, whether  
Times are good or bad, happy or sad  
And if you mess with me, you can't set me free

Woman let's, let's stay together  
Loving you whether, whether  
Times are good or bad, happy or sad  
And if you mess with me, you can't set me free

Woman let's, let's stay together  
Loving you whether, whether  
Times are good or bad, happy or sad  
Times are good or bad, happy or sad  
Times are good or bad, happy or sad

## "Livin' On A Prayer"

Once upon a time not so long ago

Tommy used to work on the docks  
Union's been on strike  
He's down on his luck...  
It's tough, so tough

Gina works the diner all day  
Working for her man,  
She brings home her pay  
For love, for love

She says, "We've gotta hold on to what we've got.  
It doesn't make a difference if we make it or not.  
We've got each other and that's a lot.  
For love we'll give it a shot."

[Chorus:]  
Whoa, we're half way there  
Whoa, livin' on a prayer  
Take my hand and we'll make it - I swear  
Whoa, livin' on a prayer

Tommy's got his six string in hock  
Now he's holding in  
What he used to make it talk  
So tough, it's tough

Gina dreams of running away  
When she cries in the night  
Tommy whispers,  
"Baby, it's okay, someday..."

...We've gotta hold on to what we've got.  
It doesn't make a difference if we make it or not.  
We've got each other and that's a lot.  
For love we'll give it a shot."

[Chorus]

Livin' on a prayer

We've gotta hold on ready or not  
You live for the fight when it's all that you've got

[Chorus 2x and fading]

## **"My Cherie Amour"**

La la la la la la, La la la la la la

My cherie amour, lovely as a summer day  
My cherie amour, distant as the milky way  
My cherie amour, pretty little one that I adore  
You're the only girl my heart beats for  
How I wish that you were mine

In a cafe or sometimes on a crowded street  
I've been near you, but you never noticed me  
My cherie amour, won't you tell me how could you ignore  
That behind that little smile I wore  
How I wish that you were mine

La la la la la la, La la la la la la  
La la la la la la, La la la la la la

Maybe someday, you'll see my face among the crowd  
Maybe someday, I'll share your little distant cloud  
Oh, cherie amour, pretty little one that I adore  
You're the only girl my heart beats for  
How I wish that you were mine

La la la la la la, La la la la la la  
La la la la la la, La la la la la la

## "My Girl"

I've got sunshine on a cloudy day.  
When it's cold outside I've got the month of May.

I guess you'd say  
What can make me feel this way?  
My girl (my girl, my girl)  
Talkin' 'bout my girl (my girl).

I've got so much honey the bees envy me.  
I've got a sweeter song than the birds in the trees.

Well, I guess you'd say  
What can make me feel this way?  
My girl (my girl, my girl)  
Talkin' 'bout my girl (my girl).

Hey hey hey  
Hey hey hey  
Ooooh.

I don't need no money, fortune or fame.  
I've got all the riches, baby, one man can claim.

Well, I guess you'd say  
What can make me feel this way?  
My girl (my girl, my girl)  
Talkin' 'bout my girl (my girl).

I've got sunshine on a cloudy day  
With my girl.  
I've even got the month of May  
With my girl  
Talkin' 'bout  
Talkin' 'bout  
Talkin' 'bout  
My girl  
Ooooh  
My girl  
As long as I can talk about my girl...

## "Never Gonna Give You Up"

Ooh

We're no strangers to love  
You know the rules and so do I  
A full commitment's what I'm thinking of  
You wouldn't get this from any other guy

I just wanna tell you how I'm feeling  
Gotta make you understand

Never gonna give you up  
Never gonna let you down  
Never gonna run around and desert you  
Never gonna make you cry  
Never gonna say goodbye  
Never gonna tell a lie and hurt you

We've known each other for so long  
Your heart's been aching, but  
You're too shy to say it  
Inside, we both know what's been going on  
We know the game and we're gonna play it

And if you ask me how I'm feeling  
Don't tell me you're too blind to see

Never gonna give you up  
Never gonna let you down  
Never gonna run around and desert you  
Never gonna make you cry  
Never gonna say goodbye  
Never gonna tell a lie and hurt you

Never gonna give you up  
Never gonna let you down  
Never gonna run around and desert you  
Never gonna make you cry  
Never gonna say goodbye  
Never gonna tell a lie and hurt you

(Ooh, give you up)  
(Ooh, give you up)  
Never gonna give, never gonna give  
(Give you up)  
Never gonna give, never gonna give  
(Give you up)

We've known each other for so long  
Your heart's been aching, but  
You're too shy to say it  
Inside, we both know what's been going on  
We know the game and we're gonna play it

I just wanna tell you how I'm feeling  
Gotta make you understand

Never gonna give you up  
Never gonna let you down  
Never gonna run around and desert you  
Never gonna make you cry  
Never gonna say goodbye  
Never gonna tell a lie and hurt you

Never gonna give you up  
Never gonna let you down  
Never gonna run around and desert you  
Never gonna make you cry  
Never gonna say goodbye  
Never gonna tell a lie and hurt you

Never gonna give you up  
Never gonna let you down  
Never gonna run around and desert you  
Never gonna make you cry  
Never gonna say goodbye  
Never gonna tell a lie and hurt you

## "No Scrubs"

A scrub is a guy that thinks he's fly  
And is also known as a buster  
Always talkin' about what he wants  
And just sits on his broke ass  
So (no)

I don't want your number (no)  
I don't want to give you mine and (no)  
I don't want to meet you nowhere (no)  
I don't want none of your time and (no)

[Chorus:]  
I don't want no scrub  
A scrub is a guy that can't get no love from me  
Hanging out the passenger side  
Of his best friend's ride  
Trying to holler at me  
I don't want no scrub  
A scrub is a guy that can't get no love from me  
Hanging out the passenger side  
Of his best friend's ride  
Trying to holler at me

But a scrub is checkin' me  
But his game is kinda weak  
And I know that he cannot approach me  
'Cause I'm lookin' like class and he's lookin' like trash  
Can't get with a dead-beat ass  
So (no)

I don't want your number (no)  
I don't want to give you mine and (no)  
I don't want to meet you nowhere (no)  
I don't want none of your time (no)

[Chorus]

If you don't have a car and you're walking  
Oh yes, son, I'm talking to you  
If you live at home with your mamma  
Oh yes, son, I'm talking to you (baby)  
If you have a shorty but you don't show love  
Oh yes, son, I'm talking to you  
Wanna get with me with no money  
Oh no, I don't want, no (oh)

No scrub (x4)  
[Chorus 4x]

**"Old Town Road (Remix)"  
(feat. Billy Ray Cyrus)**

*[Billy Ray Cyrus:]*

Oh, oh-oh

Oh

Yeah, I'm gonna take my horse to the old town road  
I'm gonna ride 'til I can't no more  
I'm gonna take my horse to the old town road  
I'm gonna ride 'til I can't no more  
(Kio, Kio)

*[Lil Nas X:]*

I got the horses in the back  
Horse tack is attached  
Hat is matte black  
Got the boots that's black to match  
Ridin' on a horse, ha  
You can whip your Porsche  
I been in the valley  
You ain't been up off that porch, now

Can't nobody tell me nothin'  
You can't tell me nothin'  
Can't nobody tell me nothin'  
You can't tell me nothin'

Ridin' on a tractor  
Lean all in my bladder  
Cheated on my baby  
You can go and ask her  
My life is a movie  
Bull ridin' and boobies  
Cowboy hat from Gucci  
Wrangler on my booty

Can't nobody tell me nothin'  
You can't tell me nothin'  
Can't nobody tell me nothin'  
You can't tell me nothin'

Yeah, I'm gonna take my horse to the old town road  
I'm gonna ride 'til I can't no more  
I'm gonna take my horse to the old town road  
I'm gonna ride 'til I can't no more

*[Billy Ray Cyrus:]*

Hat down, cross town, livin' like a rock star  
Spent a lot of money on my brand new guitar  
Baby's got a habit: diamond rings and Fendi sports bras  
Ridin' down Rodeo in my Maserati sports car  
Got no stress, I've been through all that  
I'm like a Marlboro Man so I kick on back  
Wish I could roll on back to that old town road  
I wanna ride 'til I can't no more

*[Lil Nas X & Billy Ray Cyrus:]*

Yeah, I'm gonna take my horse to the old town road  
I'm gonna ride 'til I can't no more  
I'm gonna take my horse to the old town road  
I'm gonna ride 'til I can't no more

## **"Party In The USA"**

I hopped off the plane at L.A.X.  
With a dream and my cardigan  
Welcome to the land of fame excess (whoa),  
Am I gonna fit in?

Jumped in the cab,  
Here I am for the first time  
Look to my right and I see the Hollywood sign  
This is all so crazy  
Everybody seems so famous

My tummy's turnin' and I'm feelin' kinda home sick  
Too much pressure and I'm nervous,  
That's when the taxi man turned on the radio  
And a Jay-Z song was on  
And a Jay-Z song was on  
And a Jay-Z song was on

### ***[Chorus:]***

**So I put my hands up  
They're playing my song,  
The butterflies fly away  
I'm noddin' my head like yeah  
Movin' my hips like yeah  
I got my hands up,  
They're playin' my song  
I know I'm gonna be OK  
Yeah, it's a party in the USA  
Yeah, it's a party in the USA**

Get to the club in my taxi cab  
Everybody's looking at me now  
Like, "Who's that chick that's rockin' kicks?  
She gotta be from out of town."

So hard with my girls not around me  
It's definitely not a Nashville party  
'Cause all I see are stilettos  
I guess I never got the memo

My tummy's turnin' and I'm feelin' kinda home sick  
Too much pressure and I'm nervous  
That's when the DJ dropped my favorite tune  
And a Britney song was on  
And a Britney song was on  
And a Britney song was on

### ***[Chorus]***

Feel like hoppin' on a flight (on a flight)  
Back to my hometown tonight (town tonight)  
Something stops me every time (every time)  
The DJ plays my song and I feel alright

### ***[Chorus 2x]***

## "Pony"

I'm just a bachelor  
I'm looking for a partner  
Someone who knows how to ride  
Without even falling off

Gotta be compatible  
Takes me to my limits  
Girl when I break you off  
I promise that you won't want to get off

[Chorus:]  
If you're horny, Let's do it  
Ride it, my pony  
My saddle's waiting  
Come and jump on it

If you're horny, let's do it  
Ride it, my pony  
My saddle's waiting  
Come and jump on it

Sitting here flossing  
Peeping your steelo  
Just once if I have the chance  
The things I will do to you  
You and your body  
Every single portion  
Send chills up and down your spine  
Juices flowing down your thigh

[Chorus]

If we're gonna get nasty, baby  
First we'll show and tell  
Till I reach your ponytail  
Lurk all over and through you baby  
Until I reach your stream  
You'll be on my jockey team

[Chorus]  
[repeats and ends]

(ride it)  
(my saddle's)

## "Regulate"

[G:]

Regulators: we regulate any stealing of his property  
and we damn good too  
But you can't be any geek off the street,  
gotta be handy with the steel if you know what I mean, earn your keep!  
REGULATORS!!! MOUNT UP!

[G:]

It was a clear black night, a clear white moon  
Warren G was on the streets, trying to consume  
some skirts for the eve, so I can get some funk  
just rollin in my ride, chillin all alone

[Nate:]

Just hit the Eastside of the LBC  
on a mission trying to find Mr. Warren G.  
Seen a car full of girls ain't no need to tweak  
all you skirts know what's up with 213

[G:]

So I hooks a left on the 21 and Lewis  
some brothas shootin dice so I said "Let's do this"  
I jumped out the ride, and said "What's up?"  
some brothas pulled some gats so I said "I'm stuck."

[Nate:]

Since these girls peepin me I'ma glide and swerve  
these hookers lookin so hard they straight hit the curb  
Won'tcha think of better things than some horny tricks  
I see my homey and some suckers all in his mix

[G:]

I'm gettin jacked, I'm breakin myself  
I can't believe they taking Warren's wealth  
they took my rings, they took my rolex  
I looked at the brotha said "Damn, what's next?"

[Nate:]

They got my homey hemmed up and they all around  
ain't none of them seeing if they going straight pound for pound  
I gotta come up real quick before they start to clown  
I best pull out my strap and lay them busters down

[G:]

They got guns to my head, I think I'm going down  
I can't believe this happenin in my own town  
If I had wings I could fly let me contemplate  
I glanced in the cut and I see my homey Nate

[Nate:]

Sixteen in the clip and one in the hole  
Nate Dogg is about to make some bodies turn cold  
now they droppin and yellin  
it's a tad bit late  
Nate Dogg and Warren G had to regulate

I laid all them busters down  
I let my gat explode  
now I'm switching my mind back into freak mode  
if you want skirts sit back and observe  
I just left a gang of those over there on the curb

[G:]

Now Nate got the freaks  
and that's a known fact  
before I got jacked I was on the same track  
back up back up cause it's on  
N A T E and me, the Warren to the G

[Nate:]

Just like I thought  
they were in the same spot  
in need of some desperate help  
the Nate Dogg and the G-child  
were in need of something else  
one of them dames was sexy as hell  
I said "ooo I like your size."  
she said "my car's broke down and you seem real nice,  
would ya let me ride?"  
I got a car full of girls and it's going real swell  
the next stop is the Eastside Motel

[G:]

I'm tweaking into a whole new era  
G-Funk step to this I dare ya  
Funk on a whole new level

[Nate:]

the rhythm is the bass and the bass is the treble

[G:]

Chords, strings, we brings, melody  
G-Funk where rhythm is life and life is rhythm

[Nate:]

If you know like I know, you don't wanna step to this  
It's the G-Funk era, funk'd out with a gangsta twist  
if you smoke like I smoke, then you high like everyday  
and if your ass is a buster, 213 will regulate

## "Respect"

What you want, Baby, I got it  
What you need, Do you know I got it?  
All I'm askin', Is for a little respect  
When you come home  
(just a little bit)  
Hey, baby

Ooh, your kisses, Sweeter than honey  
And guess what?, So is my money  
All I want you to do for me  
Is give it to me  
when you get home (re, re, re ,re)  
Yeah, baby (re, re, re ,re)  
Whip it to me (respect, just a little bit)  
When you get home, now (just a little bit)

R-E-S-P-E-C-T  
Find out what it means to me  
R-E-S-P-E-C-T  
Take care, TCB

Oh (sock it to me, sock it to me Sock it to me, sock it to me)  
A little respect (sock it to me, sock it to me, sock it to me, sock it to me)  
Whoa, babe (just a little bit)  
A little respect (just a little bit)

I get tired (just a little bit)  
Keep on tryin' (just a little bit)  
You're runnin' out of foolin' (just a little bit)  
And I ain't lyin' (just a little bit)

**"Ring Of Fire"  
(originally by Anita Carter)**

Love is a burning thing  
And it makes a fiery ring.  
Bound by wild desire  
I fell into a ring of fire.

I fell into a burning ring of fire,  
I went down, down, down and the flames went higher  
And it burns, burns, burns,  
The ring of fire, the ring of fire.

The taste of love is sweet  
When hearts like ours meet.  
I fell for you like a child,  
Oh, but the fire went wild.

I fell into a burning ring of fire,  
I went down, down, down and the flames went higher  
And it burns, burns, burns,  
The ring of fire, the ring of fire.

I fell into a burning ring of fire,  
I went down, down, down as the flames went higher  
And it burns, burns, burns,  
The ring of fire, the ring of fire.

And it burns, burns, burns,  
The ring of fire, the ring of fire,  
The ring of fire, the ring of fire.

## "Riptide"

I was scared of dentists and the dark  
I was scared of pretty girls and starting conversations  
Oh, all my friends are turning green  
You're the magician's assistant in their dream

Oh, oh, and they come unstuck

Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong

There's this movie that I think you'll like  
This guy decides to quit his job and heads to New York City  
This cowboy's running from himself  
And she's been living on the highest shelf

Oh, oh, and they come unstuck

Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong

I just wanna, I just wanna know  
If you're gonna, if you're gonna stay  
I just gotta, I just gotta know  
I can't have it, I can't have it any other way  
I swear she's destined for the screen  
Closest thing to Michelle Pfeiffer that you've ever seen, oh

Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong (repeat 3x)

## "Roar"

I used to bite my tongue and hold my breath  
Scared to rock the boat and make a mess  
So I sit quietly, agree politely  
I guess that I forgot I had a choice  
I let you push me past the breaking point  
I stood for nothing, so I fell for everything

*[Pre-Chorus:]*

You held me down, but I got up (HEY!)  
Already brushing off the dust  
You hear my voice, you hear that sound  
Like thunder gonna shake the ground  
You held me down, but I got up (HEY!)  
Get ready 'cause I've had enough  
I see it all, I see it now

*[Chorus:]*

I got the eye of the tiger, a fighter, dancing through the fire  
'Cause I am a champion and you're gonna hear me roar  
Louder, louder than a lion  
'Cause I am a champion and you're gonna hear me roar  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
You're gonna hear me roar

Now I'm floating like a butterfly  
Stinging like a bee I earned my stripes  
I went from zero, to my own hero

*[Pre-Chorus:]*

You held me down, but I got up (HEY!)  
Already brushing off the dust  
You hear my voice, you hear that sound  
Like thunder gonna shake the ground  
You held me down, but I got up (HEY!)  
Get ready 'cause I've had enough  
I see it all, I see it now

*[Chorus:]*

I got the eye of the tiger, a fighter, dancing through the fire  
'Cause I am a champion and you're gonna hear me roar  
Louder, louder than a lion  
'Cause I am a champion and you're gonna hear me roar  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
(You're gonna hear me roar)  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh (You'll hear me roar)  
Oh oh oh oh oh oh oh  
You're gonna hear me roar...

Ro-oar, ro-oar, ro-oar, ro-oar, ro-oar **(repeat chorus)**

## "Rude"

Saturday morning jumped out of bed  
And put on my best suit  
Got in my car and raced like a jet  
All the way to you  
Knocked on your door with heart in my hand  
To ask you a question  
'Cause I know that you're an old-fashioned man, yeah

Can I have your daughter for the rest of my life?  
Say yes, say yes 'cause I need to know  
You say I'll never get your blessing 'til the day I die  
Tough luck, my friend, but the answer is 'No'

Why you gotta be so rude?  
Don't you know I'm human too?  
Why you gotta be so rude?  
I'm gonna marry her anyway

(Bakit ka ganyan, bastos!  
Tao rin naman ako  
Bakit ka ganyan, bastos!  
I'm gonna marry her anyway

Marry that girl, Marry her anyway  
Marry that girl yeah, no matter what you say  
Marry that girl, and we'll be a family  
Why you gotta be so, rude

Marry that girl mag-aasawa siya anyway  
Marry that girl, yeah no matter what say mo  
Marry that girl, nagkapamilya na tayo  
Why you gotta be so, bastos!)

I hate to do this, you leave no choice  
Can't live without her  
Love me or hate me we will be boys  
Standing at that altar  
Or we will run away  
To another galaxy, you know  
You know she's in love with me  
She will go anywhere I go

Can I have your daughter for the rest of my life?  
Say yes, say yes 'cause I need to know  
You say I'll never get your blessing 'til the day I die  
Tough luck, my friend, 'cause the answer's still 'No'

Why you gotta be so rude?  
Don't you know I'm human too?  
Why you gotta be so rude?  
I'm gonna marry her anyway

Marry that girl, marry her anyway  
Marry that girl, no matter what you say  
Marry that girl, and we'll be a family  
Why you gotta be so, rude  
Rude

Can I have your daughter for the rest of my life?  
Say yes, say yes 'cause I need to know  
You say, I'll never get your blessing 'til the day I die  
Tough luck, my friend, but 'No' still means 'No'!

Why you gotta be so rude?  
Don't you know I'm human too?  
Why you gotta be so rude?  
I'm gonna marry her anyway

Marry that girl  
Marry her anyway  
Marry that girl  
No matter what you say  
Marry that girl  
And we'll be a family  
Why you gotta be so  
Rude  
Why you gotta be so  
Rude  
Why you gotta be so rude?

## "Santeria"

I don't practice Santeria  
I ain't got no crystal ball  
Well, I had a million dollars but I, I'd spend it all.  
If I could find that Heina, and that Sancho that she's found.  
Well, I'd pop a cap in Sancho and I'd slap her down.

What I really wanna know, mah baby, mmmm...  
What I really wanna say I can't define.  
Well, it's love, that I need. Oh...

My soul will have to wait till I get back, to find a Heina of my own.  
Daddy's gonna love one and all.  
I feel the break, feel the break, feel the break and I gotta live it up.  
Oh, yeah, uh huh.  
Well, I swear that I.

What I really wanna know, ah baby.  
What I really wanna say I can't define, got love make it go.  
My soul will have to...

*[Instrumental break]*

Oh...  
What I really wanna say, mah baby.  
What I really wanna say is I've got mine, and I'll make it, oh yes I'm coming up.

Tell Sanchito that if he knows what is good for him he best go run and hide.  
Daddy's got a new Forty-Five.  
And I won't think twice to stick that barrel straight down Sancho's throat.  
Believe me when I say that I got somethin' for his punk ass.

What I really wanna know, mah baby.  
Oh, what I really wanna say is there's just one, way back, and I'll make it, yeah.  
My soul will have to wait, yeah, yeah, yeah.

## "Semi-Charmed Life"

Doo doo doo, doo doo-doo doo...

I'm packed and I'm holding  
I'm smiling, she's living, she's golden  
She lives for me, says she lives for me  
Ovation, her own motivation  
She comes round and she goes down on me  
And I make her smile, like a drug for you  
Do ever what you wanna do, coming over you  
Keep on smiling, what we go through  
One stop to the rhythm that divides you

And I speak to you like the chorus to the verse  
Chop another line like a coda with a curse  
Come on like a freak show takes the stage  
We give them the games we play, she said...

I want something else, to get me through this  
Semi-charmed kinda life, baby, baby  
I want something else, I'm not listening when you say good-bye

Doo doo doo, doo doo-doo doo...

The sky was gold, it was rose  
I was taking sips of it through my nose  
And I wish I could get back there, someplace back there  
Smiling in the pictures you would take  
Doing crystal meth, will lift you up until you break  
It won't stop, I won't come down  
I keep stock with the tick-tock rhythm, I bump for the drop  
And then I bumped up, I took the hit that I was given  
Then I bumped again, then I bumped again  
I said...

How do I get back there, to the place where I fell asleep inside you  
How do I get myself back to the place where you said...

I want something else, to get me through this  
Semi-charmed kinda life, baby, baby  
I want something else, I'm not listening when you say good-bye

I believe in the sand beneath my toes  
The beach gives a feeling, an earthy feeling  
I believe in the faith that grows  
And the four right chords can make me cry  
When I'm with you I feel like I could die  
And that would be alright, alright

And when the plane came in, she said she was crashing  
The velvet it rips in the city, we tripped on the urge to feel alive  
Now I'm struggling to survive, those days you were wearing that velvet dress  
You're the priestess, I must confess  
Those little red panties they pass the test  
Slide up around the belly, face down on the mattress

One  
And you hold me, and we're broken  
Still it's all that I wanna do, just a little now  
Feel myself, heading off the ground  
I'm scared, I'm not coming down  
No, no  
And I won't run for my life  
She's got her jaws now, locked down in a smile  
But nothing is alright, alright

And I want something else, to get me through this life  
Baby, I want something else  
Not listening when you say...  
Good-bye, good-bye, good-bye, good-bye

Doo doo doo, doo doo-doo doo...

The sky was gold, it was rose (Doo doo doo, doo doo-doo doo...)  
I was taking sips of it through my nose (Doo doo doo, doo doo-doo doo...)  
And I wish I could get back there (Doo doo doo, doo doo-doo doo...)  
Someplace back there, in the place we used to start (Doo doo doo, doo doo-doo doo...)

I want something else (Doo doo doo, doo doo-doo doo...)

## "September"

Do you remember the  
21st night of September?  
Love was changing the minds of pretenders  
While chasing the clouds away  
Our hearts were ringing  
In the key that our souls were singing.  
As we danced in the night,  
Remember how the stars stole the night away

Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day

Ba duda, ba duda, ba duda, badu  
Ba duda, badu, ba duda, badu  
Ba duda, badu, ba duda

My thoughts are with you  
Holding hands with your heart to see you  
Only blue talk and love,  
Remember how we knew love was here to stay  
Now December found the love we shared in September.  
Only blue talk and love,  
Remember the true love we share today

Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day

There was a  
Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - golden dreams were shiny days

The bell was ringing, aha  
Our souls were singing  
Do you remember  
Never a cloudy day

There was a  
Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day

There was a  
Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - golden dreams were shiny days

## **"Stand By Me"**

When the night has come  
And the land is dark  
And the moon is the only light we'll see  
No I won't be afraid  
Oh, I won't be afraid  
Just as long as you stand, stand by me

So darling, darling  
Stand by me, oh stand by me  
Oh stand, stand by me  
Stand by me

If the sky that we look upon  
Should tumble and fall  
Or the mountain should crumble to the sea  
I won't cry, I won't cry  
No, I won't shed a tear  
Just as long as you stand, stand by me

And darling, darling  
Stand by me, oh stand by me  
Oh stand now, stand by me  
Stand by me

So darling, darling  
Stand by me, oh stand by me  
Oh stand now, stand by me, stand by me  
Whenever you're in trouble won't you stand by me  
Oh stand by me, won't you stand now, oh, stand  
Stand by me

## **"Sunday Morning"**

Sunday morning rain is falling  
Steal some covers share some skin  
Clouds are shrouding us in moments unforgettable  
You twist to fit the mold that I am in  
But things just get so crazy living life gets hard to do  
And I would gladly hit the road get up and go if I knew  
That someday it would lead me back to you  
That someday it would lead me back to you

That may be all I need  
In darkness she is all I see  
Come and rest your bones with me  
Driving slow on Sunday morning  
And I never want to leave

Fingers trace your every outline  
Paint a picture with my hands  
Back and forth we sway like branches in a storm  
Change the weather still together when it ends

That may be all I need  
In darkness she is all I see  
Come and rest your bones with me  
Driving slow on Sunday morning  
And I never want to leave

But things just get so crazy living life gets hard to do  
Sunday morning rain is falling and I'm calling out to you  
Singing someday it'll bring me back to you  
Find a way to bring myself back home to you

May not know

That may be all I need  
In darkness she is all I see  
Come and rest your bones with me  
Driving slow on Sunday morning

## "Sweet Caroline"

Where it began,  
I can't begin to knowin'  
But then I know it's growing strong

Was in the spring  
And spring became the summer  
Who'd have believed you'd come along.

Hands, touchin' hands  
Reachin' out, touchin' me, touchin' you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
But now I...

...look at the night  
And it don't seem so lonely  
We fill it up with only two.

And when I hurt,  
Hurtin' runs off my shoulders  
How can I hurt when holding you?

Warm, touchin' warm  
Reachin' out, touchin' me, touchin' you

Sweet Caroline  
Good times never seemed so good  
I've been inclined,  
To believe they never would  
Oh, no, no

Sweet Caroline  
Good times never seemed so good  
Sweet Caroline,  
I believe they never could  
Sweet Caroline  
Good times never seemed so good  
Sweet Caroline...

## "Take On Me"

Talking away  
I don't know what I'm to say  
I'll say it anyway  
Today's another day to find you  
Shying away  
I'll be coming for your love, OK?

Take on me (take on me),  
Take me on (take on me)  
I'll be gone  
In a day or two

So needless to say  
I'm odds and ends  
But I'm me stumbling away  
Slowly learning that life is OK.  
Say after me,  
"It's no better to be safe than sorry."

Take on me (take on me),  
Take me on (take on me)  
I'll be gone  
In a day or two

Oh, things that you say, yeah—  
Is it life or just to play my worries away?  
You're all the things I've got to remember  
You're shying away  
I'll be coming for you anyway

Take on me (take on me),  
Take me on (take on me)  
I'll be gone  
In a day

Take on me (take on me),  
Take me on (take on me)  
I'll be gone  
In a day

## "Tearin' Up My Heart"

It's tearin' up my heart when I'm with you  
But when we are apart, I feel it too  
And no matter what I do, I feel the pain  
with or without you

(hey..yeah)  
Baby I don't understand  
Just why we can't be lovers  
Things are getting out of hand  
Trying too much, but baby we can't win  
Let it go  
If you want me girl, let me know  
I am down, on my knees  
I can't take it anymore

It's tearin' up my heart when I'm with you  
But when we are apart, I feel it too  
And no matter what I do, I feel the pain  
with or without you

Baby don't mis-understand (don't misunderstand)  
What I'm trying to tell ya  
In the corner of my mind (corner of my mind)  
Baby, it feels like we are running out of time  
Let it go  
If you want me girl, let me know  
I am down on my knees  
I can't take it anymore..ohhh

It's tearin' up my heart when I'm with you  
But when we are apart, I feel it too  
And no matter what I do, I feel the pain  
with or without you

Tearin' up my heart and soul  
We're apart I feel it too  
and no matter what I do, I feel the pain  
With or without you  
(x2)

It's tearin' up my heart (tearin' up my heart and soul) when I'm with you  
But when we are apart, I feel it too (we're apart I feel it too)  
And no matter what I do, I feel the pain  
with or without you

And no matter what I do, I feel the pain  
With or without you

## "Thinking Out Loud"

When your legs don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love?  
Will your eyes still smile from your cheeks?

And, darling, I will be loving you 'til we're 70  
And, baby, my heart could still fall as hard at 23  
And I'm thinking 'bout how people fall in love in mysterious ways  
Maybe just the touch of a hand  
Well, me - I fall in love with you every single day  
And I just wanna tell you I am

So honey now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
I'm thinking out loud  
Maybe we found love right where we are

When my hair's all but gone and my memory fades  
And the crowds don't remember my name  
When my hands don't play the strings the same way (mmm...)  
I know you will still love me the same

'Cause honey your soul could never grow old, it's evergreen  
And, baby, your smile's forever in my mind and memory  
I'm thinking 'bout how people fall in love in mysterious ways  
Maybe it's all part of a plan  
Well, I'll just keep on making the same mistakes  
Hoping that you'll understand

That, baby, now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
Thinking out loud  
Maybe we found love right where we are (oh ohh)

La la la la la la la lo-ud

So, baby, now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Oh, darling, place your head on my beating heart  
I'm thinking out loud  
But maybe we found love right where we are  
Oh, baby, we found love right where we are  
And we found love right where we are

**"Three Little Birds"  
(feat. The Wailers)**

"Don't worry about a thing  
'Cause every little thing gonna be all right  
Singin': "Don't worry about a thing  
'Cause every little thing gonna be all right!"

Rise up this mornin'  
Smile with the risin' sun  
Three little birds  
Pitch by my doorstep  
Singin' sweet songs  
Of melodies pure and true  
Sayin', ("This is my message to you-ou-ou")

Singin': "Don't worry 'bout a thing  
'Cause every little thing gonna be all right"  
Singin': "Don't worry (don't worry) 'bout a thing  
'Cause every little thing gonna be all right!"

Rise up this mornin'  
Smiled with the risin' sun  
Three little birds  
Pitch by my doorstep  
Singin' sweet songs  
Of melodies pure and true  
Sayin', "This is my message to you-ou-ou:"

Singin': "Don't worry about a thing, worry about a thing, oh!  
Every little thing gonna be all right. Don't worry!"  
Singin': "Don't worry about a thing" - I won't worry!  
"Cause every little thing gonna be all right"

Singin': "Don't worry about a thing  
'Cause every little thing gonna be all right" - I won't worry!  
Singin': "Don't worry about a thing  
'Cause every little thing gonna be all right"  
Singin': "Don't worry about a thing, oh no!  
'Cause every little thing gonna be all right!"

## "Total Eclipse Of The Heart"

(Turn around)

Every now and then I get a little bit lonely  
And you're never coming round

(Turn around)

Every now and then I get a little bit tired  
Of listening to the sound of my tears

(Turn around)

Every now and then I get a little bit nervous  
That the best of all the years have gone by

(Turn around)

Every now and then I get a little bit terrified and then I see the look in your eyes

(Turn around, bright eyes) Every now and then I fall apart  
(Turn around, bright eyes) Every now and then I fall apart

And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong

Together we can take it to the end of the line  
Your love is like a shadow on me all of the time (all of the time)

I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks

I really need you tonight  
Forever's gonna start tonight (Forever's gonna start tonight)

Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart

Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

*[Instrumental interlude]*

## Treasure

Give me your, give me your, give me your attention, baby  
I gotta tell you a little something about yourself  
You're wonderful, flawless, ooh, you're a sexy lady  
But you walk around here like you wanna be someone else

(Oh whoa-oh-oh)

I know that you don't know it, but you're fine, so fine (fine, so fine)

(Oh whoa-oh-oh)

Oh girl, I'm gonna show you when you're mine, oh mine (mine, oh mine)

Treasure, that is what you are  
Honey, you're my golden star  
You know you can make my wish come true  
If you let me treasure you  
If you let me treasure you

(Whoa-oh-oh-h-h-h)

Pretty girl, pretty girl, pretty girl, you should be smiling  
A girl like you should never look so blue  
You're everything I see in my dreams  
I wouldn't say that to you if it wasn't true

(Oh whoa-oh-oh)

I know that you don't know it, but you're fine, so fine (fine, so fine)

(Oh whoa-oh-oh)

Oh girl, I'm gonna show you when you're mine, oh mine (mine, oh mine)

Treasure, that is what you are  
Honey, you're my golden star  
You know you can make my wish come true  
If you let me treasure you  
If you let me treasure you

(Whoa-oh-oh-h-h-h)

You are my treasure, you are my treasure  
You are my treasure, yeah, you, you, you, you are  
You are my treasure, you are my treasure  
You are my treasure, yeah, you, you, you, you are

Treasure, that is what you are  
Honey, you're my golden star  
You know you could make my wish come true  
If you let me treasure you  
If you let me treasure you

(Whoa-oh-oh-h-h-h)

### **Tropical Hawaiian Day**

Mountains roll down, to the sea,  
I wish that you were here with me  
The waves are breaking along the shore,  
It`s not the same without you no more  
Whoa Whoa Whoa Whoa  
(2X)

Watch the sun lift off the sea,  
Cast a shadow off a tree.  
Soon the surfers will catch the waves,  
The beach will fill with local babes  
Whoa Whoa Whoa Whoa  
(2X)

Up above the clear blue sky,  
The tourist cars come driving by  
Wind surfers across the bay,  
Just a tropical Hawaiian day  
Whoa Whoa Whoa Whoa  
(2X)

Just a tropical Hawaiian day  
Whoa!

## "Valerie"

Well sometimes I go out by myself  
And I look across the water  
And I think of all the things, what you're doing  
And in my head I paint a picture

Since I've come on home,  
Well my body's been a mess  
And I've missed your ginger hair  
And the way you like to dress  
Won't you come on over  
Stop making a fool out of me  
Why don't you come on over, Valerie?

Valerie [x3]

Did you have to go to jail,  
Put your house on up for sale, did you get a good lawyer?  
I hope you didn't catch a tan,  
I hope you find the right man who'll fix it for ya  
Are you shopping anywhere,  
Changed the color of your hair, are you busy?  
And did you have to pay that fine  
That you were dodging all the time, are you still dizzy?

Since I've come on home,  
Well my body's been a mess  
And I've missed your ginger hair  
And the way you like to dress  
Won't you come on over?  
Stop making a fool out of me  
Why don't you come on over, Valerie?

Valerie [x3]

Well sometimes I go out by myself  
And I look across the water  
And I think of all the things, what you're doing  
And in my head I paint a picture

Since I've come on home,  
Well my body's been a mess  
And I've missed your ginger hair  
And the way you like to dress  
Won't you come on over?  
Stop making a fool out of me  
Why don't you come on over, Valerie?

Valerie [x7]

Why don't you come over, Valerie?

## "Wade In Your Water"

*[Verse 1:]*

Sponsored by Billabong, surfer girl  
Type a girl I like feel up on, in the water  
Really wanna rock her boat, like a  
Hurricane in a perfect storm, Lawd

Ask her where she gone away to  
Said a Haleiwa  
Said she love the North Shore  
Bikini top  
Black scotts  
And them Board Shorts  
Paddle Out Paddle Out

*[Chorus:]*

Can I wade in your water [3x]  
Until I catch your wave  
Lawd  
Can I wade in your water [3x]  
Until I catch your wave  
Yeah

*[Verse 2:]*

Like the sun I can feel her warmth, Yeah  
Heat wave through the winter months, Oh  
Type a love never expire, Mmm  
Burns slow like a Bonfire

Ask her where she gone away to  
She said Laie, (Ayy)  
Said she love the North Shore  
Bikini Tops  
Black Scotts  
And them Board Shorts  
Paddle Out

*[Chorus:]*

*[Verse 3:]*

When the sun fades  
And I float your wave  
I will stay the night  
Just to catch your wave

*[Chorus:]*

Go deeper in to natures arms, Yeah  
Cascade like Waimea falls, Oh  
Pipe line through her open sea  
I'm in love with her currently, Yeah

Ask her were she gone away to  
She said Waimea  
Said she love the North Shore  
Bikini Top, Black Scotts, And them Board Shorts  
Paddle Out, Paddle Out

## "Waiting In Vain"

1, 2, 3

I don't wanna wait in vain for your love  
I don't wanna wait in vain for your love  
From the very first time I rest my eyes on you, girl  
My heart says follow t'rough  
But I know, now, that I'm way down on your line  
But the waitin' feel is fine  
So don't treat me like a puppet on a string  
'Cause I know I have to do my thing  
Don't talk to me as if you think I'm dumb  
I wanna know when you're gonna come - soon  
I don't wanna wait in vain for your love  
I don't wanna wait in vain for your love  
I don't wanna wait in vain for your love  
'Cause if summer is here  
I'm still waiting there  
Winter is here  
And I'm still waiting there

*[Guitar solo]*

Like I said  
It's been three years since I'm knockin' on your door  
And I still can knock some more  
Ooh girl, ooh girl, is it feasible?  
I wanna know now, for I to knock some more  
Ya see, in life I know there's lots of grief  
But your love is my relief  
Tears in my eyes burn - tears in my eyes burn  
While I'm waiting - while I'm waiting for my turn  
See!

I don't wanna wait in vain for your love  
I don't wanna wait in vain for your love  
I don't wanna wait in vain for your love  
I don't wanna wait in vain for your love  
I don't wanna wait in vain for your love, oh!  
I don't wanna - I don't wanna - I don't wanna - I don't wanna  
I don't wanna wait in vain  
I don't wanna - I don't wanna - I don't wanna - I don't wanna  
I don't wanna wait in vain  
No, I don't wanna (I don't wanna - I don't wanna - I don't wanna  
I don't wanna - I don't wanna wait in vain)  
No I - no I (I don't wanna - I don't wanna - I don't wanna - I don't  
Wanna - I don't wanna wait in vain)  
I don't wanna - I don't wanna - I don't wanna wait in vain)

## "Wannabe"

Yo, I'll tell you what I want, what I really really want.  
So, tell me what you want, what you really really want.  
I'll tell you what I want, what I really really want.  
So, tell me what you want, what you really really want.  
I wanna—, I wanna—, I wanna—, I wanna—, I wanna really,  
really, really wanna zigazig, ah.

If you want my future forget my past.  
If you wanna get with me better make it fast.  
Now don't go wasting my precious time.  
Get your act together, we could be just fine.

I'll tell you what I want, what I really really want.  
So, tell me what you want, what you really really want.  
I wanna—, I wanna—, I wanna—, I wanna—, I wanna  
really, really, really wanna zigazig, ah.

If you wanna be my lover  
You gotta get with my friends (gotta get with my friends).  
Make it last forever, Friendship never ends.  
If you wanna be my lover  
You have got to give.  
Taking is too easy, but that's the way it is.

What do you think about that? Now you know how I feel.  
Say you can handle my love. Are you for real (are you for real)?  
I won't be hasty, I'll give you a try.  
If you really bug me then I'll say goodbye.

Yo, I'll tell you what I want, what I really really want.  
So, tell me what you want, what you really really want.  
I wanna—, I wanna—, I wanna—, I wanna—, I wanna  
really, really, really wanna zigazig, ah.

If you wanna be my lover  
You gotta get with my friends (gotta get with my friends).  
Make it last forever,  
Friendship never ends.  
If you wanna be my lover  
You have got to give. (You got to give.)  
Taking is too easy, but that's the way it is.

So here's a story from A to Z.  
You wanna get with me? You gotta listen carefully.  
We got Em in the place Who likes it in your face.  
She got G like MC Who likes it on an—  
Easy V Doesn't come for free.  
She's a real lady. And as for me? Ha-ha! You'll see.  
Slam your body down and wind it all around.  
Slam your body down and wind it all around.

If you wanna be my lover  
You gotta get with my friends (gotta get with my friends).  
Make it last forever,  
Friendship never ends.  
If you wanna be my lover  
You have got to give. (You got to give.)  
Taking is too easy, but that's the way it is.

If you wanna be my lover  
You gotta—, you gotta—, you gotta—, you gotta—,  
You gotta slam, slam, slam, slam.  
Make it last forever.  
Slam your body down and wind it all around.  
Slam your body down and wind it all around.  
  
Slam your body down and wind it all around.  
Slam your body down and zigzag, ah.

If you wanna be my lover.

## "What I Got"

Early in the morning, risin' to the street  
Light me up that cigarette and I strap shoes on my feet  
Got to find a reason, a reason things went wrong  
Got to find a reason why my money's all gone  
I got a dalmatian, and I can still get high  
I can play the guitar like a mother fucking riot

Well, life is (too short), so love the one you got  
'Cause you might get run over or you might get shot  
Never start no static I just get it off my chest  
Never had to battle with no bulletproof vest  
Take a small example, take a tip from me  
Take all of your money, give it all to charity  
Love is what I got  
It's within my reach  
And the Sublime style's still straight from Long Beach  
It all comes back to you, you'll finally get what you deserve  
Try and test that you're bound to get served  
Love's what I got  
Don't start a riot  
You'll feel it when the dance gets hot

Lovin', is what I got, I said remember that  
Lovin', is what I got, now remember that  
Lovin', is what I got, I said remember that  
Lovin', is what I got

(That's) why I don't cry when my dog runs away  
I don't get angry at the bills I have to pay  
I don't get angry when my Mom smokes pot  
Hits the bottle and goes right to the rock  
Fuckin' and fightin', it's all the same  
Livin' with Louie dog's the only way to stay sane  
Let the lovin', let the lovin' come back to me

Lovin', is what I got, I said remember that  
Lovin', is what I got, now remember that  
Lovin', is what I got, I said remember that  
Lovin', is what I got, I got I got I got

## "Wonderwall"

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do  
I don't believe that anybody  
Feels the way I do about you now

Back beat, the word is on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody feels  
The way I do about you now

And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I would  
Like to say to you  
But I don't know how

Because maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall

Today was gonna be the day  
But they'll never throw it back to you  
By now you should've somehow  
Realized what you're not to do  
I don't believe that anybody  
Feels the way I do  
About you now

And all the roads that lead you there were winding  
And all the lights that light the way are blinding  
There are many things that I would like to say to you  
But I don't know how

I said maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall  
(x2)

I said maybe  
You're gonna be the one that saves me  
You're gonna be the one that saves me  
You're gonna be the one that saves me
